Sub: Submission of Forest Diversion Proposal for construction of Flyover and Vehicular Underpass for Patna-Gaya-Dobhi section of NH-83 under NHDP-III in Bihar in Gaya Forest Division under Forest (Conservation) Act, 1980

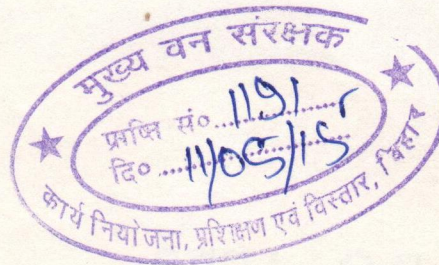

Dear Sir,

National Highway Authority of India (NHAI) has taken up the programme of rehabilitation and upgradation of existing intermediate/two lane NH-83 to 4-lane divided carriageway under NHDP phase-III.

The proposed improvement proposal involves construction of Flyover and Underpass under NH-83 (Patna-Gaya-Dobhi) Project at the Jehanabad-Arwal road, Gaya Panchananpur road and Gaya-Sherghati road notified as Protected Forest vide notification no.-189 dated 15-02-1994 of the Environment and Forest Department, Government of Bihar.

Since the project road is strategically important and will improve the connectivity of the state, NHAI is keen to commence the execution at the earliest. It is requested to accord priority and kindly process the Forest Diversion Proposal expeditiously to enable NHAI to take up up-gradation of NH-83 at earliest.

Thanking you

Yours truly,

(Niraj Gaur)  
Project Director
