

JUSTIFICATION

To ensure proper development of inviolate area for tiger i.e. the Bori Sanctuary, relocation of the existing **Malani (Part-II)** village from the core area is desirable. The relocation will make available 170 ha land, out of which 60.00 ha will be exclusively meant for desirable meadow and approximately 200.00 ha area around vicinity of Village will also be available for a wide range of wildlife ranging from small insects to large herbivores, and simultaneously will form prey-base for the carnivores. Other adverse biotic factors would be reduced to the minimum, hence enabling the eco-system to strike on equilibrium.

The rehabilitated villagers will be provided with the necessary financial and social benefits in addition to infrastructural facilities. For evacuation of villages and resettlement of affected persons 285.70 ha of forest land will be diverted for the use at new site. This area includes the agricultural land, @2 ha /family, construction of house, other community development programme and nistar facilities.

Since the rehabilitation is proposed to be done in the compartment of the protected forest land, so prior sanction to divert this forest land, for rehabilitation purpose, is a legal obligation.

This document contains a proposal to seek prior approval of the Central Govt. to divert the 485.20 ha of forest land for rehabilitation of 189 families of village. **MALANI (PART-II)** of Bori Sanctuary is a unit of Satpura Tiger Reserve, Hoshangabad, District Hoshangabad M.P. Entire package amount is 10 lacs/family Total families for Relocation under option-I are 57 and under option II are 132.

The resettlement of the existing village from core area is proposed with the consent of villagers.
