

**Full title of the Project** : “Diversion of 0.9830 Hector for construction of Existing School established since 1963 for Extension Government Secondary School at Village-Rampura Nyola , Tehsil-Suratgarh,District -Sri Ganganagar (Rajasthan)”

**Proposal No** : FP/RJ/SCH/148169/2021

**Date of Proposal** : 07.10.2021

**Proposed Diversion Area** : 0.9830 Ha.

## **JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA**

“Diversion of 0.9830 Hector of forest land for extension of the existing Government Secondary School at Village-Rampura Nyola ,Tehsil-Suratgarh, District -Sri Ganganagar (Rajasthan), established since 1963” has been examined for Social, Technical and Economical consideration. All possible efforts were made to avoid the forest land by Education Department of Rajasthan for this extension. The protected Forest land is falling in the Existing School Alignment hence without forest land involvement School can't be extended. Considering the requirement of the land in the construction of the School Building work minimum forest land required is **0.9830** Ha. GOVT.SEC.SCH, RAMPURA NYOLA was established in 1963 and it is managed by the Department of Education. It is located in Rural area. It is located in SURATGARH block of GANGANAGAR district of Rajasthan. Initially the School started with class 1-5 and further upgraded to 1-8 without any additional land. Now the School has been upgraded to secondary School, so the need for more class rooms has increased further. There is no surplus non-forest land available with the School. Therefore, it is absolutely necessary to divert the forest land for the School building extension and the place of prayer, so that the students studying here can get the benefit of education. There is no alternative land other than forest land. Keeping in view the prevailing law, diversion of **0.9830** hectares of forest land has been proposed for extension of the existing School. This School is an important educational institution for the village and large number of nearby habitations and Dhanies.

This forest land involved in the extension of the existing **School** is bare minimum.

**Place** : Rampura Nyola
