

OFFICE OF THE COLLECTOR & DISTRICT MAGISTRATE, KEONJHAR

No. 342 /Rev. Dt. 18-02-2020

To

The Tahasildar, Hatadihi

Sub. Relocation of 95 families at Jhanjhana Mouza of Hatadihi Tahasil relocated from Pitana(West) Hamlet living inside hadagarh Wildlife Sanctuary.

Sir, Madam,

I am to say that The D.F.O., Keonjhar Wildlife Division, Anandapur has intimated that 10 decimals of land to be given for homestead purpose to each family relocated from Pitana(West) Hamlet (Hadagarh wildlife sanctuary) for constructing house in Jhanajhana colony. An extent of area of 4.928 ha. in the plot No. 162 and 98 of Khata No. 177 in Jhanajhana mouza was selected for construction of rehabilitation colony for 95 nos. of relocated families as there is no other suitable land available in the nearby area. The above patch of land is recorded as 'Jungle Dui'. As it is a forest land in Revenue record it attracts Forest Conservation Act, 1980 and requires diversion so that the individual families can be issued Patta.

Therefore he has requested to authorize Tahasildar, Hatadihi to initiate diversion proposal under Forest Conservation Act, 1980 for the said land at mouza Jhanjhana for rehabilitation of relocated families.

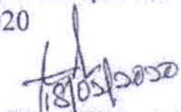

Hence, the Tahasildar, Hatadihi is authorized to file diversion proposal under Forest Conservation Act, 1980 for 4.928 ha. forest land in the plot No. 162 and 98 of Khata No. 177 in Jhanajhana mouza for rehabilitation of relocated families.

Yours faithfully,
