

GOVERNMENT OF MEGHALAYA  
OFFICE OF THE EXECUTIVE ENGINEER, WATER RESOURCES DEPARTMENT  
SOUTH GARO HILLS DIVISION, BAGHMARA

NO.E.E(WR)/SGH/Nhp- /2019-20/

Dated Baghmara the 5th September 2019

To,

The Divisional Forest Officer  
Social Forestry & Territorial Division, Baghmara.

Subject:-

*Request the N.O.C for Land Acquisition to set up the NHP station near the  
Bridge of River Simsang.*

Sir,

With Reference to the subject cited above, and as per the discussion in the meeting held in the Deputy Commissioner Chamber held on the 22nd August 2019 with the present of D.C, EAC, D.F.O, E.E, S.D.O and J.E and also a joint inspection was done just after the meeting, I have the honour to inform you that our water resources department wants to set up the National Hydrological Project (NHP) station near the bank of the River Simsang and the land belong to the Forest Department. In connection with this, the department needs N.O.C for 10.00 m x 10.00 m of Land near the left bank of the bridge after crossing the river Simsang, while coming from Tura to D.C Complex, Baghmara. The purpose of this land is to construct a building for setting up the station to measure the daily discharge of the river Simsang, to set up rain gauge station and also it can be aware about the flood affected area. This station is a national project and its needed under South Garo Hills District, Baghmara.

This is for favour of your kind information and necessary action.

Your Faithfully

Executive Engineer (WR)  
South Garo Hills Division  
Baghmara.
