**JUSTIFICATION LETTER FOR FOREST/WILD LIFE LAND DIVERSION**

1. The project for Construction of road from Patnazi to Kither Stage -I Package No. JK04-146, Length- 15.50 Kms stands sanctioned in Phase VIII by MoRD, Govt. of India. The said road takes off from the existing PMGSY road Tipri to Patnazi and the alignment of this road passes through forest area in some stretches. The target habitation namely village Kither shall be benefitted by the construction of this road on its completion and will provide connectivity to a population of about 645 souls.
2. The approved alignment is the only feasible alignment providing vital connectivity to the village Jar as such, the Forest area cannot be avoided.
3. Hence the diversion of the forest land is the only choice to construct the above said road
