

CHECK LIST SERIAL NUMBER:-9

The existing road from Gharog Kanohi road Km 0/0 to 2/700 Tehsil & District Shimla, H.P. has been constructing keeping in view the all beneficial and positive factors consecutively location/situations of the target inhabitants for transportation and traveling facility.

The location of target village is such that there is no alternate road possible except the proposed alignment which can avoid up to maximum extent, the use of forest land for the construction of said road. Also there is non-forest/govt. land other than the forest/private land available land in the area for the construction of the road, therefore the use of the forest land for the project i.e. Gharog Kanohi Road Km 0/0 to 2/700

Also the existing road project is available to bring the benefits of development to target village that have remained deprived of their benefits long.

As such the location of the project in the forest land is justified and the existing road is finalized.
