

ANNEXURE-5

COST BENEFIT ANALYSIS

The Optical Fibre Transmission Cable / Systems proposed along different sector roads **From Vyara to Songadh (approx 52100 Mtr) on Vyara – Songadh Highway on both sides of the road** are high grade, large capacity communication system, which will provide National S.T.D. and I.S.D. facility in addition to Broad Band Internet facility to the Vyara and Songadh **District**.

The cable laying works will be carried out through award of works on contract after calling for tender; the work will require extensive engagement of manual labour. This will generate employment for the public in the vicinity of the cable route. Entire District population will be benefited due expected employment for the 50,000 man days for commissioning of this project.

Sr. No.	Parameters	Laying of Optical Fibre Transmission Cable for Bharat Sanchar Nigam Limited
