

Justification

Name of The Project: Construction of 40 mtr span Bridle Bridge at Bhitarkot to par Junior High School in Distt Bageshwar.

Necessity of the Project and Justification for loacating the Project in Forest Area

Presently the Peoples of the Bhitarkot and Junior High School have to walk through a distance of 2.00 to 3 Km to meet their daily needs as there is no Bridge connecting the Peoples. Due to the non-existent of any Bridge connectivity the lives of the peoples are in constant danger as there are no medical services which could be provided to them even in cases of emergency such as maternity.

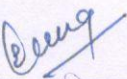

Further, due to non-existent of the Bridge connectivity the area connect easily.

Due to the construction of Bridge following benefits are provided to local People & Government too.

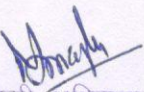

- 1- Enhance the social and economical development of this area.
- 2- The employers will travel short distance for their jobs.
- 3- Junior High School and villagers will be connected to Bhitarkot market to the shortest route as well as bus stands too.
- 4- Due to construction of this bridge the conjunction situation at Bhitarkot market will be minimised.

The forest land area falling in the proposed alignment of the road which is 0.018 Hectare has been surveyed to the minimum and also the alignment of the bridge has been proposed in such a manner that there shall be a mimium of tree felling. Other than the proposed alignment for the bridge, there is no such alignment which shall reduce the diversion of forest area or felling of the trees. The overall width proposed for acquiring of the land is 30.00 m . The Geological Investigation along the proposed alignment has been carried out which also states that the proposed alignment of the bridge is safe for construction. There are no graveyards, religious, historical/monumental or legendry places falling in the proposed alignment of the Road. Connected will be developed for tourist place.

In view of the above facts and in public interest, it is requested that the Forest land area 0.018 Hectare may kindly be diverted for the construction of bridge.
