

CHECKLIST SERIAL NO-9

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

Diversion of forest area 1-04-02 falls in the Jurisdiction of Forest Division Solan and 0-19-57 hectare (1957 sq. mtr.) forest area falls in the jurisdiction of Forest Division Kunihar totaling 01-23-59 hect. (12359 sq. mtr.) Of forest land is required for : C/o Proposed Road from Jangeshu to Auda Via Bhanet 0/00 km to 3/500 km for the construction of this project forest area 1-04-02 hect. Of forest land is required from Forest Division Solan and 0-19-57 hectare Forest land is required from Kunihar Division totaling 1.2359 hectare land to be diverted

Alternative alignments were examined but some are not technically feasible because in the alignments large number of trees are coming in the alignment and required more land and rejected. The proposed road necessarily passes through forest land because there is no non forest land is available. Hence there is no escape from using the forest land.

Place: Kasauli

Date:

Divisional Forest Officer
Forest Division Kunihar

Executive Engineer,
B & R Division, H.P. PWD
Kasauli.
