**Sub: Approved Mining Plan for Proposed Six Development Locations (KHDO, KHEH, KHEI, KHEJ, KHEK, KHEL) from new Cluster in Khoraghat field**

Oil and Natural Gas Corporation Limited, Jorhat Asset is planning to drill Six development locations in Khoraghat area of Golaghat District. The said land falls under Khoraghat Extension-1 ML and total granted ML area is 88.97 square Kilometers. These Six proposed locations are planned to be drilled from the new cluster of Khoraghat field.

Each of the six locations (KHDO, KHEH, KHEI, KHEJ, KHEK & KHEL) is expected to contribute oil and gas on an average rate of 10 tons per day and 2,000m<sup>3</sup>/day. The envisaged Mining Plan for the locations is as below:

YEAR	Oil (tons/annum)	Gas (1000m <sup>3</sup> /annum)
2023-24	3650	730
2024-25	3285	657
2025-26	6607	1321
2026-27	5946	1189
2027-28	12651	2530
2028-29	11386	2277
2029-30	13898	2780
2030-31	16158	3232
2031-32	14542	2908
2032-33	13088	2618
2033-34	11779	2356
<b>Total, tons/MMm<sup>3</sup></b>	<b>112989</b>	<b>22.5</b>
