TO WHOM SO EVER IT MAY CONCERN

We hereby justify that Project of Bhaskarpara Coal Mine which has been vested by Ministry of Coal, Govt. of India vide Order no. NA-104/5/2021-NA dated 18th November 2021 is spread over an area of 932.000 Ha. Which includes Forest Land (Protected Forest and Chhote Bade Jhade ke Jungle) as well as Private Land.

The Location of the Block and its boundary is fixed by CMPDIL after having detailed exploration based on Geological Survey of India for occurrence of Coal. Since occurrence of Coal has been found in the area of 932.000 Ha. For which boundary has also been demarcated and fixed by CMPDIL which includes Forest land, therefore there is no other alternative location to locate the project.

The proposed Bhaskarpara Coal Block area is situated in a broken area. and Mining activities are going on in the adjoining area i.e. Pandavpara Under Ground Mine of South Eastern Coal Field Limited (SECL), Bilaspur (C.G.) and more over. Major Forest Land as Chhote Jhad ka Jungle.

In view of the above, it is justified that this Project cannot be re-located anywhere else except the land already demarcated by CMPDIL.
