**TRANSPORT ARRANGEMENTS FROM ML 2545 JAISINGHPUR IRON
ORE MINES JAISINGHPUR VILLAGE TO VARIOUS FERROUS
INDUSTRIES**

We are proposing to extract Iron ore material from the mine and crush, screen the material into different size and quantity at the mining head itself. The material will be transported through vehicles having 21-30 mt capacity and above by road.

All the vehicles carrying minerals shall be covered by tarpaulin cover as per the prescribe guidelines by RTO and other regulators water sprinkling arrangements will be made to suppress dust from movement of vehicles.

Thanking You,

x K. R. Kaviraj
