

Justification for locating the project in Forest Area.

Odisha Adarsha Vidyalaya (model School) is going to open in 314 Block of Odisha by School & Mass Education Department , Odisha, Bhubaneswar phase wise, out of which 227 has been completed in different block. The model school Dunguripali is comes under the remaining 87 block. The object of model school is to provide quality education to rural students from class VI to XII in CBSE pattern including Hostel facilities for which around 10 Ac land is required for this purpose.

As there is no such government Non-Forest land is found in Rampur Tahasil area in a single phase. Tahasildar Rampur has identified the land of 10.275 Ac. (4.16 Ha) of Revenue Forest land in village Phatamunda. Which is suitable in view of communication facility for school student of Dunguripali rural area.
