

No. 32/2022

Bhopal, Dated 11/01/2022

### Justification

The components for execution of which the application for permission is being submitted are part of the project "Development of Amarkantak" sanctioned under "PRASHAD" Scheme of Ministry of Tourism, Govt of India.

The executing agency for the project is MP State Tourism Development Corporation Bhopal. Amarkantak is origin of Narmada River & well-known pilgrimage. The Components for which permission is being sought are planned for providing basic facilities to the pilgrims visiting Amarkantak.

The execution of proposed components are essential for environmental protection as well as for providing facilities to tourists.

Hence looking at importance of the components, permission for execution of proposed component may please be accorded.

  
Executive Engineer
