Justification letter for Forest Land Diversion for Non-Forest Use

Central Public Works Department (CPWD) has been entrusted for construction of high altitude Indo-China Boarder Road by Ministry of Home Affairs (MHA) in the State of Arunachal Pradesh situated at **District of Tawang**. In this connection, the road as detailed below is proposed to be constructed in **Tawang** for ITBP. The approved alignment of this road is (attached) falls in the Forest Area that need to be acquired under Forest conservation Act'1980.

This road is strategically very important for the safety of nation and is being used by the ITBP and Military Personnel to reach and carriage of goods & ammunition etc. to protect Indian territory up to International Line of Control. Therefore, diversion of required forest land will be essential for constructing the high-altitude project road.
