Respected Sir,

This proposal is submitted for getting approval to acquire road side strip plantation area land which is owned by Roads and Buildings Department for the project of **Construction of New R.O.B. on Tuva-Mahelol-Vejalpur Road Dist. Panchmahal in Gujarat State** with necessary documents and certificates.

Nowadays traffic is increasing at faster rate. Development of infrastructure is basic need of country. So it is essential to convert existing routes in four lane high-speed highways. Planning and procedure is in progress for same. So it is necessary to cut down the trees near the road boundaries obstructing the work.

Govt. has planned to develop the roads through its budget for Road & Buildings Department. This proposal is for part of the length of **New R.O.B. on Tuva-Mahelol-Vejalpur Road K.M. 16/100 to 16/450 and 17/150 to 17/500 (L.C. No.41 Railway Crossing)** and required **0.42** hectare protected area.

This proposal is for part of the length of **Tuva-Mahelol-Vejalpur Road** and required **0.42** hectare protected area.

New lane will be constructed on either side of existing road which will require new additional space of (As per Annexure-2) **0.42** hectare.

This road is an important link from Tuva N.H. Way to Vejalpur Four Lane. This road is used as bye-pass link of Vejalpur to Amdavad side traffic. There are Tuva Hot Water Kund is also tourism place and therefore many visitors are coming at Tuva as well as many quarry materials vehicle and agriculture product vehicles are plying over it.

Please do needful for diversion of forest land for construction of road considering the above matters.

Thanking you,

Yours faithfully,
