Dated 06/12/2019

APPENDIX (See Rule 6)
FORM - 'A'

Form for seeking prior approval under section 2 of the proposals by the State
Government and other authorities

PART - I

(to be filled up by user agency)

1) **Project Details:**

Short Narrative Proposal: The Site is located at Jhalda Block, 55 KM West and away from Purulia. The Dam is on tributary of Kangsabati River. This is a very good spot as far as the natural beauty is concerned the Ayodhya Hill is visible from the spot.

MAP: Provided.

cost of the project: Rs. 9,56,86,400.00

Justification for the locating project: This is a very good picnic spot along with Natural beauty of Ayodhya Hill is visible from the spot. In winter season during November to February Purulia becomes a bird's eye to all tourist. Number of tourist footfall increase every year including foreigners, which becomes good impact to Purulia tourism. It improves economic growth of the district as well as increase revenue of the district.

Cost benefit analysis: After completion of the project expression of interest will be called for only operation and maintenance of the whole property from suitable experienced agencies keeping the ownership with the Government (DM, Purulia) without destabilizing the natural harmony of the location. Income will come out of the rent of the agency. Tentative payback period will be 15 years apart from the direct income of the government hundreds of local youth, tribal families, SHGs as small entrepreneurs will be benefitted through this project.

Employment likely to be generated: Tentative 4824 people may be benefitted through direct employment and indirect employment apart local SHGs and local youths.
