

OFFICE OF ASSISTANT ENGINEER (O&M) , MPPKVCL, PANNA

No./EE (O&M)/ work/ 141

Panna/ Date- 29/9/22

To,

**THE COLLECTOR
PANNA**

Subject :- Regarding FRA certificate.

Respected sir,

With reference to above cited subject , 33/11 kv sub-station is sanctioned at village – kalda. With this, voltage and supply related issue of kalda and near by villages would be resolved. For 33/11 kv sub-station at kalda, 21 km of 33 kv line has to be erected through the forest land for which application has already been under progress for sanction of 21 hectare of forest land under DFO, Division- south. For further process, a FRA certificate is required.

I, therefore , request you to kindly provide the FRA certificate.
