

### Justification Certificate

The development of existing kachcha road to BT road And street lights from Brahmanandapuram church to AIIMS road is proposed, as this road is being utilized by almost 16,000 people residing in Brahmanandapuram and surrounding areas since more than 40 years.

It is one and only the shortest way to approached to National High way as well as AIIMS for medical purposes. Otherwise, they have to go all round via Vijayawada / Mangalagiri to reach National High Way or AIIMS hospital. If the people go via Vijayawada to National High Way, it will be 4 times the shortest distance.

Hence, it is proposed for diversion of 0.85 Ha. Forest land at Mangalagiri Block of Tadepalli reserve forest in Guntur District.
