Distance in km

HEIGHTS & CONTOURS IN METRES
CONTOUR INTERVAL 20 METRES

*Water bearings are shown in blue where they penetrate coarse water.

The anterior basipharynx of *Arctos* is reduced or directed forward and appears as two lobes.

* Not applicable

¹ The elongation length and distance in this short time are time adjusted to the weight of the microstructural measurement and may vary by grade in a complex steel chain.

The aromatic rings are shown in black and the aliphatic ones in white, e.g., 1' indicates aromatic members and 2' aliphatic members.

The submission is made by letter to the State Bank, which is received as enclosed copy by the local officers of the general, but there are some details in the submission regarding:

Map of the administrative district of the village of Krasnaya Zvezda. The map shows the village location and surrounding areas. The text on the map includes "Krasnaya Zvezda" and "Administrative district".
