Sub: Online proposal for laying of OFC cable in ROW area of NH from Ramapuram to Marthalli - Reg

Sir,

With respect to the above subject, we are here with informing you that we have worked on alternative routes for laying of OFC cable from Ramapuram to Marthalli in Chamaraja Nagar division and for your reference herewith we are enclosing drawing showing alternative routes. Here with we would like to inform you that, we have chosen best option where tree cutting is not involved.

In the attached drawing,

Option-I: As in drawing option-1 route is completing falling in forest area where there is tree cutting involved

Option-III: As in drawing option-3 route is completing falling in forest area where there is tree cutting involved

Proposed OFC Route: This route is completely falling in ROW area of NA Road parallel to the existing road. In this route there is no tree cutting involved as it is parallel to existing road.

Thanking you,
Yours faithfully,

For Jio Digital Fiber Pvt Ltd.,
