JUSTIFICATION LETTER FOR FOREST / WILD LIFE DIVERSION

1. The project for construction of Towara to Dodla road is sanctioned under PMGSY Stage Ist Phase X. The stretch of the road from Km Ist RD 0.0 to Km 3rd RD 300 passes through Forest/ Wildlife area. The road takes off from village Towara and surrounding area is benefitted by construction of this road on its completion and will provide connectivity to a population of 589 souls inhabiting the entire area.
2. Forest/ Wildlife area cannot be avoided as the alignment is the only feasible alignment providing vital connectivity to the hamlets.
3. The earthwork in cutting has already been executed and the excavated material viz. earth , stones etc. already stands used/ disposed by the contractor and as such no muck has to be disposed off now and accordingly Muck Disposal Plan is not required.
4. Hence, the diversion of the Forest/ Wildlife land is the only choice to construct the road.
