B. Health & Family Welfare Department

I. Remodelling of Delhi Government Dispensaries into polyclinics

(i) Health & Family Welfare Department has submitted that with an aim to reorganise healthcare facilities it has been decided to operationalise Poly Clinics in Delhi. For meeting the said objective, Delhi Government Dispensaries at various districts are proposed to be remodelled as Polyclinics and then, will be attached to different Delhi Government Hospitals. The Clinics will act as satellite centres for outdoor specialised treatment purposes of the attached hospitals concerned. Medical Superintendent of the attached hospital shall be made responsible for the operation and management of the Polyclinics and will provide necessary Manpower, drugs & consumables and other logistic support and will also supervise the day to day functioning. It was estimated that average footfall of approximately 2800 patients in each hospital, will be reduced if all the polyclinics linked to the major hospital become operational.

(ii) Accordingly, Delhi Government dispensaries at various districts were surveyed and 94 dispensaries were shortlisted for remodelling in two phases (47 each). The existing Delhi Government dispensaries are generally three storied load bearing structure. These will be remodelled with additions mainly at Ground Floor and refurbished through efficient space planning by way of providing necessary furniture as per requirement. The work will be undertaken by PWD.

(iii) The C.P.M. (Health), PWD explained that for remodelling two preliminary estimates were submitted by PWD based on DPAR 2012 + 11% cost index, DSR 2014 minus 12% for building works and market rates for non-scheduled items with 1% each for contingency, labour cess, third (3rd) party quality control, 12% GST.

(iv) As regards consultancy, it was stated that a separate estimate for Phase-I was already submitted to H&FW Department and the consultancy charges were included in the estimated cost for Phase-II. The details of both proposals are as under;

S.N	Particulars	Phase-I	Phase-II
1.	Covered area (in..Sqm)	42233	27446
2.	Unit cost (in..₹)	19680	28665
Components of estimate		(₹..in crore)	
3.	Building work	17.03	23.88
4.	Remodeling work	34.51	17.59
5.	Development	2.90	2.59
6.	Furniture	7.59	4.94
7.	Electrical	17.37	17.38
8.	Consultancy	-	1.72
	Sub-total	79.43	68.10
9.	Statutory provisions including GST	12.20	10.57
	Total	91.63	78.67
10.	Period of completion		
	Planning	3 months	3 months
	Execution	15 months	21 months
11.	Phasing of Project (in..Cr)		
	i. 2017-18	1.00	0.00
	ii. 2018-19	65.00	50.00
	iii. 2019-20	25.63	28.67

(iv) It was observed by the Finance Department that either the department shall consider each of the Polyclinic as an independent unit or the entire remodelling work shall be taken as a single package rather than splitting the work in two phases which are under consideration concurrently. It was agreed that the proposal for remodelling of Dispensaries as Polyclinics shall be considered as a single unit and approval will be sought from the Cabinet for the consolidated proposal of ₹170.30 crore.

(v) It was further expressed by Finance Department, that inclusion of consultancy charges in one proposal and excluding the same in another proposal is not justified and uniform standard shall have to be maintained in framing the estimates. It was agreed that the consultancy charges included in the capital cost of Phase-II can be excluded and will be taken up separately with Administrative Department for sanction.

(vi) After deliberation, Expenditure Finance Committee has made the following recommendation on the proposal of H&FW Department for remodelling of 94 Delhi Government Dispensaries as Polyclinics at an estimated cost of ₹168.58 crore (70.30 crore minus ₹1.72 crore consultancy charge for Phase-II);

- The proposal shall be placed before the Cabinet for approval and sanction.
- Project shall be completed as per approved scope of work within scheduled period at the sanctioned cost. No cost escalation will be considered in future.
- Compliance of pre-sanction / post-sanction guidelines / requirement circulated as Annexure to Government order no. PA/DSF/Misc/2012-13/Exp-4/538-45 dated 17.05.2012 during planning and execution period

06. Thereafter, meeting ended with vote of thanks to the Chair.
