

## Justification for locating the project in Forest land

Name of work: Construction of Flyover/ Underpass at Mahipalpur Bypass Road, NH-8 and Mehrauli Mahipalpur Road, New Delhi

1. It is a Flyover project, which is to be constructed on existing roads .
2. The Flyover is to be constructing on two Roads. One is a Master Plan road approved in 1962 and other road is also more than 10 years old.
3. Flyover is to be constructed to decongest the existing road viz. Mehrauli-Mahipalpur road and Mahipalpur bypass road.
4. Issue of availability of the alternative site for project is not applicable.
