This is a detailed topographic map of the Village Bolundra area, covering approximately 44.00 hectares. The map is oriented with North at the top and is framed by a grid of latitude and longitude coordinates. The terrain is depicted using contour lines, with elevations ranging from approximately 100 to 250 meters. The map shows a network of roads, including a main road running horizontally across the middle and several smaller roads branching off. There are several small settlements or hamlets, each marked with a red dot and labeled. The map also shows various geographical features, including a river (HATHMATI RIVER) flowing through the area, and several areas designated as 'RESERVED FOREST'. The map is divided into sections by a grid, with letters A through F and numbers 1 through 6. The title 'Village Bolundra CA 44.00 Ha' is printed at the bottom center. The map is published by the Survey of India, Department of Science & Technology, Government of India.
