### Sub: Clarification regarding NOC for FRA

Two new wells DPDS and DPDT are to be drilled for production of crude oil and natural gas. All wells falls in Doyang Reserve Forest of Golaghat District. These locations are under Kasomarigaon PML of a total area of 20 sq.km vide office order No. PEM/114/2015/23 Dt. 14<sup>TH</sup> Feb. 2017. Above mentioned wells are planned to be drilled from already diverted drill site of Suphayam-1 (FC letter dated 23.05.1997)

As the FRA-2006 was came in force only after year 2006 and forest clearance for Suphayam -1 was obtained in the year 1997. Accordingly land was acquired by ONGC and still in the possession of ONGC. Therefore, FRA-2006 shall not be applicable in this case.
