TO WHOMSOEVER IT MAY CONCERN

Jejuri is a city and a municipal council in Purandar Taluka of Pune district of Maharashtra situated to the south - east of Pune toward Phaltan. The town is of historical significance and cultural heritage owing to presence of Lord Khandoba Temple situated on a small hill 40 kms away from Pune. It is an important pilgrimage place as Lord Khandoba is worshipped by majority of the tribes in the state of Maharashtra and neighbouring states. Its economy is centered on businesses catering to the numerous devotees visiting the place all round the year, notably during major fairs and festivals. Presently the pilgrims visit the Khandoba temple in the main area of the Jejuri town. However, the place of origin of Lord Khandoba, believed to be on the hill top at Kadepathar is also equally revered and often visited by pilgrims, which is accessible by steep steps (abt. 750 nos.). Owing to the increasing devotees to this old temple on hill top and difficulties encountered while climbing those steep steps, especially by older devotees and kids; it is proposed to develop Passenger Ropeway system from the bottom of the hill to the Kadepathar Khandoba temple at the hill top.

M/s Suyog Gurbaxani Funicular Ropeways Limited, Mumbai, Maharashtra is the implementing agency for the proposed Passenger Ropeway System. A portion of the proposed Ropeway infrastructure passes through the forest area and therefore involves diversion of this forest land under Forest Conservation Act, 1980 for non-forestry purpose. In compliance to the provisions of the above Act, an application seeking diversion of forest land in "Part- I of Form - A" is hereby initiated as prescribed under procedure. Further, we hereby nominate **Shri Bhushan Gajanan Kshirsagar**, Project Manager, Mumbai, as a Nodal Officer for pursuing Forest Clearance for the above mentioned Ropeway project and authorize him to sign all the relevant documents as may be required to fulfill the pre-requisites of the Forest Clearance Proposal. The details of the Officer are given as under:
