**JUSTIFICATION FOR LOCATING THE ALIGNMENT OF RING ROAD AROUND
MADAKASIRA TOWN THROUGH PROPOSED FOREST AREA IN ANANTAPUR
DIST.**

NAME OF WORK : Formation of Ring Road around Madakasira Town from Km 0/0 to 20/0 in Anantapuram Dist in the state of Andhra Pradesh.

Proposed Ring Road in forest land : 1.95Ha

The proposed the project of formation of Ring Road around Madakasira Town from Km 0/0 to 20/0 in Anantapuram Dist in the state of Andhra Pradesh. The Ring Road passes through forest land of 1.95 Ha in Madakasira forest section. The land is required for formation of Ring Road around the Madakasira town to prevent the accidents. Accordingly, the alignment is fixed to the best alternative available which suites the existing topography. The proposed Ring Road for Madakasira town in forest land is the minumim possible extent in order to fix the alignment as for the (R&B) roads standards. There is no other feasible alternative for shifting the alignment. Hence for Ring Road forest land is 1.95 Ha is required for the above said project.
