REGARDING CAT PLAN

A lumpsum provision of Rs. 601.60 Lakhs is made in the UTP Project DPR for the environment and ecology aspects. The preliminary DPR of UTP Project is cleared in Principal consent from CWC vide letter No. No. 2(441)/2013-WR Dated 19-12-2013. Catchment area treatment plan of ``Upper Tunga Project will include the following components:

- Providing trees, Avenue plantation along the canals of 270 kms.
- Forestation in lieu of forest lands.
- Measures in construction area to minimize land erosion.
- Public health measures to control spread of water and soil born diseases.
- Proper drainage in command area.
- Conjunctive use and ground water monitoring.
- Training, workshops, awareness campaigning etc.

The detailed catchment area treatment plans is prepared and got approved from the Competent authority.
