Details of the plan for the transportation of the minerals proposed to be raised from the mining lease :-

Ministry of Coal, Govt of India, vide Vesting order No. NA-104/2/2020-NA dated 03.03.2021 has allotted Sahapur West Coal Block to M/s Sarda Energy and Minerals Limited (SEML).

The above Coal Block is commercial in nature. The entire coal raised from the mining lease area is to be sold to the consumers and it is expected that consumers will pick the coal from pit head by trucks/tippers. If required coal will be transported to nearby siding, preferably Shahdol siding and will be transported to consumers.

SEML will ensure that the transportation of coal within the mining lease area is done in line with the prevailing Environmental Laws and shall also motivate the concerned transportation agencies to adhere with the Environmental Laws for coal transportation outside the mining lease area.

For, **Sarda Energy & Minerals Limited,**

S.S. Shrivastava
Vice President – Coal Mines.
