

Justification For Locating The Project in Forest Area

APMC Yellapur is Having Jurisdiction of Whole Yellapur Taluk for Marketing of Agriculture commodities. APMC has established a Main Market Yard at Yellapur Town. Where the sales activities of Agriculture commodities grown by the Farmer takes place.

Sometimes Farmers find it difficult to transport the commodities from their village to the APMC Main Market. Hence starting a sub market at village level make it more easy for the Farmers to sell their Agriculture Produce. Whereby it helps the farmers and growth of the village and Agriculture sector. Hence APMC Yellapur is Planning to Develop a sub market at Ummachagi Village.

But as there is No Govt Land available & also No Private Land available for sale in that Area the Project is proposed in Forest Land Survey No. 36B1B. The proposed Area of 1.4 Hectors is needed as to construct Godowns, Warehouse, Cleaning grading and packaging unit, Online marketing & canteens, Toilets etc. Which will benefit the Local Farmers & Traders & for Tarding of Agriculture Commodities. Hence Hence Forest Land is requested for Establishing Sub-Market Yard at Ummachagi village, Yellapur Taluk.

Place :Yellapur
Date : 04-10-2018
