Sub: -Justification letter for Forest Land Diversion.

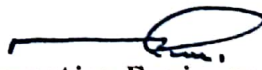

Sir,

Construction of road namely Gai Dessa to Bhatta via Mangal Thatha and Dewal Kund under Job No. CRF-J&K 2017-18 /237 Dated: -30-03-2018. The proposed road leading to the targeted habitations of villages namely Mangal Thatha Gutta, Traman, Dewal Kund, Gorkan, Bhatta etc. (10000 souls directly) is located on the western side of Doda Town at a distance of 46 Kms. There are no worthwhile educational or medical facilities in the area because of absence of road.

The area even though rich in agriculture produce yet the framers cannot get their surplus yield to the market in the absence of road. With the construction of the road, the availability of modern farming techniques is bound to increase the yield of crop. These crops will avail market in Doda which is nearest marketing center. Thus, the construction of the road is bound to usher the area to a new dawn of development, progress and prosperity. All other alternative sites for the proposed Project have been explored and the demand for the required Social Forest land of 2.557 Ha in the Mangal Thatha, Dewal Kund Tehsil Bhagwah District Doda.

Hence the diversion of the Forest land is only choice to construct the above said road. The report is submitted for further necessary action.

Yours Faithfully,

Executive Engineer
PWD (R&B) Spl. Sub Division
Doda.
