JUSTIFICATION FOR REGULARIZATION OF SALEP TANK PRIMARY SCHOOL LAND

The present Govt. Primary School, Salep Tank, East Sikkim was established on 10th February, 1993, measuring 200' X200' at Salep Tank, by the Village School Committee to cater the educational need of the children of the surrounding locality. Subsequently, the school on the request of the Village School Committee, was taken over by Education Department, Government.

Further, it is certified that the school is functioning in the same land/area since inception.

However, the process of regularization of the school land needs to be expedited on priority to enable the School authority to register the School with C.B.S.E (Central Board of Secondary School).
