Justification for locating the project in Forest Land

Introduction:

Indian Oil Corporation Limited (IOCL) has been granted an authorization by Petroleum and Natural Gas Regulatory Board (PNGRB) laying, building, operating and expanding City Gas Distribution Network and Compressed Natural Gas (CNG) outlets In an authorized Geographical Area of Lakhisarai, Munger and Bhagalpur Districts vide authorization dated 29.03.2019. Indian Oil Corporation Limited is implementing CGD projects in Geographical area of Lakhisarai, Munger and Bhagalpur Districts along with various other cities of country under the Petroleum and Natural Gas Regulatory Board (Authorizing entities to Lay, Build, Operate or Expand City or Local Natural Gas Distribution Network) Regulation, 2008.

Justification:

This Being a City Gas Distribution Project, the natural gas pipeline network will connect major demand centre in city for domestic connection and to CNG retail outlets in the City Gas Natural Gas Pipelines has to be laid along the roads in the city. The network is starting from City Gate station (Source- Hatidah Buzurg Mokama) and has to reach the city Lakhisarai, Munger and Bhagalpur via shortest route and utilizing minimum forest land along the roads.

Proposed sections of pipeline in Lakhisarai and Munger Districts come under protected forest in Munger Division; the said proposal is required to be applied for. There is no other alternative to this section for reaching the city and residential colonies in Lakhisarai and Munger considering the constraint of supply source and consumer location.

For and On Behalf of IOCL
