**Sub: Notification under second proviso of Section 4(1) of MMDR Act 1957  
allowing CMPDI for exploration dt. 7<sup>th</sup> June 2016**

Dear Sir,

Please find enclosed herewith the above notification which is a land mark in the history of CMPDI. This will not only allow CMPDI to explore coal but also other mineral without following the cumbersome process of 4(1) notification under CBA and LARR. Now the problem remains to expedite exploration is faster clearance of forest application. We have taken up the matter with MOEFCC and simplification of the system is going on. It is to inform you that these processes take time hence we must put all efforts for expediting application from lowest level so that same is forwarded to MOEFCC.

It is therefore requested to monitor forest application personally on weekly basis and send the report to the undersigned for expeditious clearance of forest application.

Yours faithfully,

*B. N. Shukla*
