Justification for locating the project in forest land

The project namely "Ballaud Multi Village Rural Water Supply Scheme" is proposed to provide drinking water to 29 village of Umaria & Shahdol district taking river Sone as the source. To convey water to the command area, the most economical option to convey water is by gravity & Pipeline in that area so that advantage of gravity flow can be utilized Pumping and related exorbitant recurring maintenance costs will be saved. Hence permission is requested.
