OFFICE OF THE EXECUTIVE ENGINEER PHED PROJECT DIVISION –DEEG

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

Certificate for the minimum use of Forest Land and justification for locating the project on forest land. In this Project (**Laying For Transmission Main Pipe Line From Mallah Headworks Bharatpur to Kuchawati CWR**) which is for providing drinking water Bharatpur to Deeg, Kumer, Nagar, Kaman and Pahari Tehsil of Bharatpur District. All these Tehsil are having quality problem in water available from local sources which are mostly open wells or tube wells. In this project, the water treatment plant, pumping stations and pipe lines are situated in area close. Laying Main transmission pipe line along the NH-11. Change 56/530 to 60/530 And rest route are along the roads. The other routes were found technically non feasible and unsuitable. The Rising main Mallah H.W. to connect Kumer, Kuchawati, Nagar, Kaman and Pahari water by pipe line. The area required for the laying of the Main rising Pipe line is bare minimum which is a part of the Protected Forest land.

Place: Deeg
