REFERENCES

1. S. Historical Highway No. 1. 2. GIDC Gujarat Industrial Development Corporation.

NOTES :-

Height and contour have not been shown. The State boundaries between Gujarat, Maharashtra and India & Nagar Haveli have been surveyed as indicated on the map but have not been verified by the Government concerned. Forest boundaries in this sheet have been surveyed as indicated on the map but have not been verified by the Government concerned. Tanks, shown dry, in this area usually contain water from July to February. The vertical values of India extend into the sea to a distance of twelve nautical miles measured from the appropriate baseline. Position of points between turning points at power lines has not been surveyed.

COMPILED INDEX

Projection - UTM Datum - WGS 84

Magnetic Variation from True North about 2° West in 2005.
(Decreasing by about 1° annually).

1:50,000
