

Project Name Four Laning of Moga to Bajakhana (Lambwali) section of NH-105B (Greenfield Alignment) with paved shoulder from design chainage 0.000 to km 42+733 under Bharatmala Pariyojana (Package-IV) in the State of Punjab on Hybrid Annuity Mode (HAM).

Justification for the location of the Project in Forest Area

It has been proposed to develop the project "Four Laning of Moga to Bajakhana (Lambwali) section of NH-105B (Greenfield Alignment) with paved shoulder from design chainage 0.000 to km 42+733 under Bharatmala Pariyojana (Package-IV) in the State of Punjab on Hybrid Annuity Mode (HAM)" in Moga and Faridkot District. The protected forest area is required to be diverted for construction of new Greenfield road which is essential to ensure efficient traffic movement & for improvement of existing traffic network. The trees/ plantation in the affected forest land in shall be required to be felled to construct the new Greenfield highway. Development of the project will increase the existing transportation services, economic development, and agricultural facilities and facilitate better connectivity in the region.

We have finalized the proposed alignment taking into the consideration the minimum use (diversion) of forest land to safeguard the regional ecology.
