Diversion of 2.2973 Hect of forest Land for C/O Village Padech to Dafog Bhatiyad Kadech Road KM 0/0 to 4/200 Shimla Rural, H.P. This road has been constructed to provide motor link to the village and adjoining parts of village **Dafog Bhatiyad Kadech**. The caters to the needs of population of about 1352 people and gives boost to the local economy. Since all the beneficiary villages are surrounded by forest land hence all the alignments had to necessarily pass through forest area if the primary objective of linking the villages to the motor road was to be achieved. Hence there is no escape from using the forestland. For the construction of this road, **2.2973** of forest land is required to be diverted.
