

## A BRIEF NOTE

The proposal for establishment of “**Food Park at Industrial Estate, Tippi**” has been taken up under Department of Industries, Govt. of A.P with an allocation of Rs.10.00 crores based on the Budget Announcement of the year 2017-18. The said project was sanctioned during was first sanctioned in the FY 2017-18 vide **sanction order No.SIND-109/2018/449-14/ Dated 26/03/2018**, but the it could not be implemented in the field due to lack of a suitable land for the project.

This project has been initiated to set up mini food park consisting of cluster of agro-based industrial food processing units to provide marketing facilities to the farmers for proper management of agriculture & horticulture produces in West Kameng District, Arunachal Pradesh which in turn improve economic activities in the project area.

The project area has to be located adjacent to the existing industrial estate and in foothills area for easy accessibility and transportation of the processed food items to mainstream markets. The Bhalukpong foothill area is located under reserved forest area and as such there is no any community land available in foothill area for the said project and as a result this project has to be proposed in forest area in the interest of the public. This project is of utmost importance for the farmers of the projects area.
