To,

The Noda officer and
Addl. Principal Chief conservator of forests,
(Forest Conservation Bengalooru)

JUSTIFICATION FOR CONSTRUCTION OF WATER SUPPLY ELEVATED LEVEL SERVICE RESERVOIR (ELSR) AND IT'S ALLIED COMPONENTS

The Water Supply Elevated Level Service Reservoir (ELSR) and its allied Components are proposed to provide continuous PRESSURISED 24x7 water supplies to the citizen of Muttyantti village, part of Kakati village and adjacent areas under World Bank Assisted “**KARNATAKA URBAN WATER SUPPLY MODERNISATION PROJECT (KUWSMP)**” to cover entire areas of City Corporation of Belagavi.

For efficient water supply as per the hydraulic design, the identified land is adjacent to the Muttyanhatti village and is belonging to the forest department area. Also there is no hydraulically suitable/feasible land available in the nearby vicinity either of Corporation or of other departments or private. Hence the land is identifies as hydraulically most suitable land for the project.

Thanking you,

Yours Faithfully

Commissioner,
City Corporation Belagavi
