Addl. Principal Chief conservator of forests,  
(Forest Conservation Bengalooru)

### COST BENEFIT ANALYSIS

The project named “KARNATAKA URBAN WATER SUPPLY MODERNISATION PROJECT (KUWSMP)” construction of Construction of Water Supply Elevated Level Service Reservoir (ELSR) and its allied Components, designed to provide Continuous Pressurised 24x7 Water Supply to cover entire areas of City Corporation of Belagavi.

The project is to provide basic amenities i.e. water supply to the citizen of Muttyantti village, part of Kakati village and adjacent areas under the above mentioned project. As the drinking water supply facilities are provided under no loss no profit basis by the government, there will not be any cost benefit analysis.

Thanking you,

Yours Faithfully

Commissioner,  
City Corporation Belagavi
