Sub:- Issue of certificate for recognized Right of Primitive Tribal Group and Pre Agriculture Communities not affected due to the diversion of Dyang Reserve Forest for set up of an EPS at Kasomarigaon KSAB

Sir,

It is to inform you that ONGC is planning to set up an EPS at Kasomarigaon KSAB location and the existing area is around 1.69 HA (130m x 130m). The total required area for set up of an EPS is around 5.32 HA (190m x 280m). An additional area of 3.63 HA is required to divert in side Dyang Reserve Forest for the construction of EPS.

As per the forest guidelines and Forest Conservation Act 1980 a certificate is required from the Deputy Commissioner concerned regarding ensuring compliance of schedule tribes and other traditional forest dwellers (Recognition of forest Right) Act 2006 and the proposal does not involve recognized rights of Primitive Tribal Groups and Pre agricultural communities in the forest land in question for on line submission.

During Survey of proposed EPS the boundaries are fixed away from habitant, keeping all the aspects and kept away from residential and congested area.

As it is a time bound project of national interest, I request you to kindly issue a certificate in the prescribed format (attached) of ministry of Environment and Forest.

With regards.
