

## Justification for locating Project in forest area

This is the one and only one alignment which is also an existing forest road, to be improved for providing connectivity to nine ST villages under two Gram Panchayats in Bamra Block. Due to improvement of this road people of all categories like students, farmers, patients will be highly benefitted students can go for higher study to nearby college at Kuchinda & Bamara. Farmers can reach nearby markets for sale of their agricultural products. Patients can get quick treatment at sub-divisional Hospitals at Kuchinda.
