

## **Forest Land Use Justification**

*Lalpar Sub. Division-PGVCL Morbi, has planned to lay new 11 kv feeder line for providing to Electricity to Farmer which land in between forest area in Vil:Kalika Nagar Ta/Di:Morbi*

*Forest Land involved 0.5444 Ha. Along the overhead transmission line In Village-Kalikanagr Ta/Di:Morbi. FCA proposal to be require for 0.5444 Ha. Forest land. **The farmer Area is in between Forest Area so No alternative Route is Possible.***

*11 kv feeder line only with overhead crossing and hence actually there is no any forest land affected during work execution as conductor is overhead and tower erection is beyond the age of road. And hence work to be executed in such a way that no tree will be required to be cut.*

**Benefit of Project:** *nearly about 28 Farmer of Kalikanagar will get reliable power Supply for farming Activity. Hence this projects altimetry benefits to Farmer.*

*Date : 07/01/2021.*

*Place : Morbi*
