

Office of the Principal Chief Conservator of Forests (HoFF)

Rajasthan, Jaipur (Raj.)

No:- F 14()2016/FCA/PCCF/ 1354

Date :- 27.11.2017

Sr. Assistant Inspector General of Forests,

GoI, MoEF & CC (FC Division)

Indira Paryavaran Bhawan

Aliganj, Jor Bagh Road

New Delhi- 110003

Sub.:- Diversion of 91.202 ha. of forest land in favour of Executive Engineer, Water Resources Department, Sirohi for construction of Battisa Nallah, Minor Irrigation Project, Tehsil-Aburoad, District-Sirohi, Rajasthan.

Ref.:- Your Letter No. F. No 8-12-2017-FC Dated 22/09/2017

Sir,

In compliance to above subject and letter under reference, the point wise compliance to the conditions laid by the Ministry of Environment Forests & Climate Change, (F.C. Division), Government of India, in the In-principal approval/stage-I clearance received by CCF Jodhpur vide letter No. F()FCA/CCF Jo/2017-18/7068 dated 24.11.2017 is submitted as under :-

S.No.	Conditions	Compliance
i	Legal Status of the diverted forest land shall remain unchanged	Legal status of diverted land will not be changed.
ii	Compensatory afforestation over the non-forest land, equal in extent to the area of forest land being diverted, shall be raised on the identified land within a period of three years with effect from the date of issue of Stage- II clearance and maintained thereafter in accordance with the approved Plan in consultation with the State Forest Department at the cost of the user agency.	Compensatory afforestation over the non-forest land, equal in extent to the area of forest land being diverted, shall be raised by DCF Sirohi on the identified land within a period of three years with effect from the date of issue of Stage- II clearance and maintained thereafter in accordance with the approved Plan. The cost of Compensatory afforestation Rupees 10488230/- deposited online by User Agency in CAMPA fund. Copy of E-Challan enclosed as Annexure-1
iii	The non-forest land (NFL) identified for compensatory afforestation shall be in two patches : 3.845 ha and 87.356 ha in village Utraj and Shergaon respectively.	CA Scheme has been accordingly framed and approved by CCF Jodhpur. The cost of Compensatory afforestation (DFL) Scheme Rupees

	1000 saplings per hectare shall be planted over 91.102 ha (91102 plants). If this is not possible to plant these many seedlings in the identified NFL, the balance seedlings will be planted in degraded forest land as per the prescriptions of the of the Working Plan at the cost of the User agency. In such case CA cost will be revised and duly approved by the competent authority and deposited online in the CAF managed by CAMPA.	11765058/- has been deposited online in CAMPA fund by User Agency. Copy of E- Challan is enclosed as Annexure-1
iv	25% of the CA cost additionally will be spent towards Soil and Moisture Conservation activities in the proposed CA area as per site requirement and deposited in CAF	25% of the CA cost additionally will be spent towards Soil and Moisture Conservation activities in the proposed CA area as per site requirement. The cost Rupees 5563322/- has been deposited online in CAMPA fund by User Agency. Copy of E- Challan is enclosed as Annexure-1
v	CAT plan shall be insisted in this project, which should be submitted before stage II clearance.	CAT Plan has been approved by competent Authority. (Annexure - 2) and Amount of CAT plan, Rs. 21.55 Lacs has been deposited online in the CAMPA fund by User Agency. Copy of E- Challan is enclosed as Annexure-1
vi	R&R plan would also be prepared as per National rehabilitation policy , if applicable and required by the concerned authority.	R&R Plan has been approved by competent authority, as per the provisions contained in " The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013" After enactment of this act, R&R is integral part of the act, hence R&R Plan has been prepared and approved as per the provisions of the act. Approved R&R Plan has already been submitted (Summary of approved R&R Plan is enclosed as Annexure- 3)
vii	Felling of trees up to level (FRL-4m) shall not be resorted to unless trees remain submerged for long period.	Felling of trees up to level (FRL-4m) will not be resorted to unless trees remain submerged for long period, strict compliance to these directions will be ensured.

viii	The State Government shall ensure that the forest land located between FRL and the FRL-4 metres may be afforested by planting appropriate indigenous tree species.	Compliance will be done strictly by the State Forest Department.
ix	The non-forest land to be transferred and mutated in favour of the State Forest Department for raising Compensatory Afforestation shall be notified as reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant section(s) of the local Forest Act. The Nodal officer must report compliance within a period of 6 month from the date of grant of final approval and send a copy of the notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the local Forest Act as the case may be, to this Ministry for information and record ;	The non-forest land to be transferred in favour of the State Forest Department for raising Compensatory Afforestation has been reserved (Set Apart) and mutated in favour of Forest Department. (Annexure- 4) Process of Allotment will be completed immediately after grant of final approval and compliance regarding notification as protected/reserved forest will be done within six months from the date of grant of final approval.
x	The user Agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of Ad-hoc CAMPA of the concerned State through online portal. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years ;	Cost of raising and maintaining the compensatory afforestation at the current wage rate has been deposited online in Ad-hoc CAMPA fund, through e-challan by User Agency. (Copy enclosed at Annexure-1)
xi	The user Agency shall transfer online, the Net Present Value (NPV) of the forest land being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal into Ad-hoc CAMPA account of the State Concerned ;	The Net Present Value (NPV) Rupees 73235206/- has been deposited online in Ad-hoc CAMPA fund by User Agency. (Copy enclosed at Annexure-1)

xii	Any fund received from the user agency under the project and deposited in the State Forest Department account, except the funds realized for regeneration/ demarcation of safety zone, shall be transferred through online portal into Ad-hoc CAMPA account of the State Concerned ;	Amount of CA Scheme, NPV and CAT plan (Rupees 103206816/-) has been deposited online in Ad-hoc CAMPA fund and amount demanded for cost of wood (Rupees 10990522/-), watch tower (Rupees 500000/-) and chouki (Rupees 1000000/-) has been deposited with DCF, Sirohi. (Annexure-1)
xiii	At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India ;	Undertaking given by User Agency is enclosed as Annexure - 5
xiv	User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required ;	As per Notification Dated 14/9/2006, issued by Ministry of Environment and Forests, under the Environment (Protection) Rules, 1986 , Environmental clearance is not required for this project. List of projects in which Environmental Clearance is required as per Notification Dated 14/9/2006, is enclosed as Annexure- 6 .
xv	The User agency shall undertake afforestation along the periphery of the reservoir ;	Undertaking given by User Agency is enclosed as Annexure - 7
xvi	User agency shall provide free water for the forestry related projects ;	Free water will be provided for the forestry related projects by User Agency.
xvii	Layout plan of the proposal shall not be changed without the prior approval of the Central Government ;	Layout plan of the proposal will not be changed without prior approval of the Central Government.
xviii	No labour camp shall be established on the forest land ;	Undertaking given by User Agency is enclosed as Annexure - 8
xix	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person ;	The forest land will not be used for any purpose other than that specified in the proposal and under no circumstances it will be transferred to any other agency, department or person.
xx	Felling of trees on the forest land being diverted shall be reduced to the bare minimum and the trees should be felled under strict supervision of the State Forest Department ;	Undertaking given by User Agency is enclosed as Annexure - 9

xxi	User Agency in consultation with the State Forest Department shall create and maintain alternate habitat/ home for the avifauna, whose nesting trees are to be cleared in this project. Bird nests artificially made out of eco-friendly materials shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project ;	Undertaking given by User Agency is enclosed as Annexure - 10
xxii	State Government shall complete settlement of rights, in terms of the Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013 in support thereof ;	Settlement of rights, in terms of the Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 has been completed, and already submitted. Certificate as per MoEF Letter no. 11-9/98-FC(Pt) Dated 3rd August 2009 is enclosed as Annexure- 11
xxiii	The user agency shall provide alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest area ;	Undertaking given by User Agency is enclosed as Annexure - 12
xxiv	Boundary of the forest land proposed to be diverted shall be demarcated on the ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates ;	Undertaking given by User Agency is enclosed as Annexure - 13
xxv	The State Government shall maintain the character of the project as an irrigation project and to ensure continued benefit to the farmers in the command area, no more diversion of water from the project for industrial projects will be permitted in future.	Undertaking given by User Agency is enclosed as Annexure - 14
xxvi	Any other condition that the concerned Regional Office of this Ministry may stipulate, from time to time, in respect of conservation, protection and development of forests & Wildlife ;	Undertaking given by User Agency is enclosed as Annexure - 15

xxvii	The User agency shall submit annual self compliance report in respect of the above conditions to the State Government, concerned Regional Office and this Ministry by the March of every year regularly ; and	Annual self compliance report in respect of the above conditions will be submitted to the State Government, concerned Regional Office and this Ministry through State Forest Department by the March of every year regularly.
xxviii	The User agency and the State Government shall ensure compliance to the provisions of the all Acts, Rules, Regulations, Guidelines, relevant Hon'ble Court Order(s) and national Green Tribunal Order(s) , if any pertaining to this project for the time being in force, as applicable to project.	Compliance to the provisions of the all Acts, Rules, Regulations, Guidelines, relevant Hon'ble Court Order(s) and national Green Tribunal Order(s) , if any pertaining to this project for the time being in force, will be ensured by User Agency.

Compliance report with CCF, DCF and User Agency Letters is submitted for your kind consideration to obtain the final approval. Please issue the final approval.

Sub:- Diversion of 91.202 ha. of forest land in favour of Executive Engineer, Water Resources Department, Sirohi for construction of Battisa Nallah, Minor Irrigation Project, Tehsil-Aburoad, District-Sirohi

Ref:- Ministry of Environment Forests & Climate Change, (F.C. Division), Government of India, New Delhi letter No. F.No. : 8-12/2017-FC dated 22/09/2017 & Your office letter No. F()/FCA/DFA/2017-18/8131-32 dated 10.11.2017

Sir,

In compliance to above subject and letters under reference, the point wise compliance to the conditions laid by the Ministry of Environment Forests & Climate Change, (F.C. Division), Government of India, in the in-principal approval/stage-I clearance for "*Diversion of 91.202 ha of forest land in favour of Executive Engineer, Water Resources Department, Sirohi for construction of Battisa Nallah, Minor Irrigation project, Tehsil- Aburoad, District Sirohi, Rajasthan*" is submitted as under :-

S.No.	Conditions	Compliance
i	Legal Status of the diverted forest land shall remain unchanged	Legal status of diverted land will not be changed.
ii	Compensatory afforestation over the non-forest land, equal in extent to the area of forest land being diverted, shall be raised on the identified land within a period of three years with effect from the date of issue of Stage- II clearance and maintained thereafter in accordance with the approved Plan in consultation with the State Forest Department at the cost of the user agency.	Demand raised by Forest Department for CA Scheme has been deposited online in CAMPA fund, as per the directions. Copy of E- Challan is enclosed at Annexure-1
iii	The non-forest land (NFL) identified for compensatory afforestation shall be in two patches : 3.845 ha and 87.356 ha in village Utraj and Shergaon respectively. 1000 saplings per hectare shall be planted over 91.102 ha (91102 plants). If this is not possible to plant these many seedlings in the identified NFL, the balance seedlings will be planted in degraded forest land as per the prescriptions of the of the Working Plan at the cost of the User agency. In such case CA cost will be revised and duly	CA Scheme has been accordingly framed by Forest Department and Demand raised by Forest Department for CA Scheme has been deposited online in CAMPA fund, as per the directions. Copy of E- Challan is enclosed at Annexure-1

	approved by the competent authority and deposited online in the CAF managed by CAMPA.	
iv	25% of the CA cost additionally will be spent towards Soil and Moisture Conservation activities in the proposed CA area as per site requirement and deposited in CAF	Demand raised by Forest Department for CA Scheme is including additional 25% of CA cost and has been deposited online as per directions.
v	CAT plan shall be insisted in this project, which should be submitted before stage II clearance.	CAT Plan has been approved by competent Authority. (Annexure - 2) and Amount of CAT plan, Rs. 21.55 Lacs has been deposited online in the CAMPA fund with the Demand raised by DCF, Sirohi
vi	R&R plan would also be prepared as per National rehabilitation policy , if applicable and required by the concerned authority.	R&R Plan has been approved by competent authority, as per the provisions contained in " The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013" After enactment of this act, R&R is integral part of the act, hence R&R Plan has been prepared and approved as per the provisions of the act. Approved R&R Plan has already been submitted (Summary of approved R&R Plan is enclosed at Annexure- 3)
vii	Felling of trees up to level (FRL-4m) shall not be resorted to unless trees remain submerged for long period.	Felling of trees up to level (FRL-4m) will not be resorted to unless trees remain submerged for long period, strict compliance to these directions will be ensured.
viii	The State Government shall ensure that the forest land located between FRL and the FRL-4 metres may be afforested by planting appropriate indigenous tree species.	Compliance to the instructions pertains to Forest Department.
ix	The non-forest land to be transferred and mutated in favour of the State Forest Department for raising Compensatory Afforestation shall be notified as reserved Forest under Section-4 or Protected Forest under Section-29 of the Indian Forest Act, 1927 or under the relevant section(s) of the local Forest Act. The Nodal officer must report compliance within a period of 6 month from the date of grant of final approval and send a copy of the notification declaring the non-forest land under Section 4 or Section 29 of the Indian Forest Act, 1927, or under the relevant section of the local Forest Act as the case may be, to this Ministry for information and record ;	The non-forest land to be transferred in favour of the State Forest Department for raising Compensatory Afforestation has been reserved (Set Apart) and mutated in favour of Forest Department. (Annexure- 4) Process of Allotment will be completed immediately after grant of final approval and compliance regarding notification as reserved forest is related to Forest Department.

x	The user Agency shall transfer the cost of raising and maintaining the compensatory afforestation at the current wage rate in consultation with State Forest Department in the account of Ad-hoc CAMPA of the concerned State through online portal. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years ;	Cost of raising and maintaining the compensatory afforestation at the current wage rate, as per the demand from Forest Department has been deposited online in Ad-hoc CAMPA fund, through e-Challan. (Copy enclosed at Annexure-1)
xi	The user Agency shall transfer online, the Net Present Value (NPV) of the forest land being diverted under this proposal, as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009. The requisite funds shall be transferred through online portal into Ad-hoc CAMPA account of the State Concerned ;	The Net Present Value (NPV) has been deposited online in Ad-hoc CAMPA fund, as per the demand from Forest Department . (Copy enclosed at Annexure-1)
xii	Any fund received from the user agency under the project and deposited in the State Forest Department account, except the funds realized for regeneration/ demarcation of safety zone, shall be transferred through online portal into Ad-hoc CAMPA account of the State Concerned ;	Amount of CA Scheme, NPV and CAT plan has been deposited online in Ad-hoc CAMPA fund, as per the demand from Forest Department , and Amount demanded for cost of wood, watch tower and chouki has been deposited with DCF, Sirohi. (Annexure-1)
xiii	At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India ;	Undertaking is enclosed at Annexure - 5
xiv	User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required ;	As per Notification Dated 14/9/2006, issued by Ministry of Environment and Forests, under the Environment (Protection) Rules, 1986, Environmental clearance is not required for this project. List of projects in which Environmental Clearance is required as per Notification Dated 14/9/2006, is enclosed at Annexure- 6 .
xv	The User agency shall undertake afforestation along the periphery of the reservoir ;	Undertaking is enclosed at Annexure - 7
xvi	User agency shall provide free water for the forestry related projects ;	Free water will be provided for the forestry related projects.

xvii	Layout plan of the proposal shall not be changed without the prior approval of the Central Government ;	Layout plan of the proposal will not be changed without prior approval of the Central Government.
xviii	No labour camp shall be established on the forest land ;	Undertaking is enclosed at Annexure - 8
xix	The forest land shall not be used for any purpose other than that specified in the proposal and under no circumstances be transferred to any other agency, department or person ;	The forest land will not be used for any purpose other than that specified in the proposal and under no circumstances it will be transferred to any other agency, department or person.
xx	Felling of trees on the forest land being diverted shall be reduced to the bare minimum and the trees should be felled under strict supervision of the State Forest Department ;	Undertaking is enclosed at Annexure - 9
xxi	User Agency in consultation with the State Forest Department shall create and maintain alternate habitat/ home for the avifauna, whose nesting trees are to be cleared in this project. Bird nests artificially made out of eco-friendly materials shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project ;	Undertaking is enclosed at Annexure - 10
xxii	State Government shall complete settlement of rights, in terms of the Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, on the forest land to be diverted and submit documentary evidence as prescribed by this Ministry in its letter No. 11-9/1998-FC (pt.) dated 03.08.2009 read with 05.07.2013 in support thereof ;	Settlement of rights, in terms of the Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 has been completed, and already submitted. Certificate as per MoEF Letter no. 11-9/98-FC(Pt) Dated 3rd August 2009 is enclosed at Annexure- 11
xxiii	The user agency shall provide alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest area ;	Undertaking is enclosed at Annexure - 12
xxiv	Boundary of the forest land proposed to be diverted shall be demarcated on the ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing, distance from pillar to pillar and GPS co-ordinates ;	Undertaking is enclosed at Annexure - 13

xxv	The State Government shall maintain the character of the project as an irrigation project and to ensure continued benefit to the farmers in the command area, no more diversion of water from the project for industrial projects will be permitted in future.	Undertaking is enclosed at Annexure - 14
xxvi	Any other condition that the concerned Regional Office of this Ministry may stipulate, from time to time, in respect of conservation, protection and development of forests & Wildlife ;	Undertaking is enclosed at Annexure - 15
xxvii	The User agency shall submit annual self compliance report in respect of the above conditions to the State Government, concerned Regional Office and this Ministry by the March of every year regularly ; and	Annual self compliance report in respect of the above conditions will be submitted to the Range office, Aburoad, by the March of every year regularly.
xxviii	The User agency and the State Government shall ensure compliance to the provisions of the all Acts, Rules, Regulations, Guidelines, relevant Hon'ble Court Order(s) and national Green Tribunal Order(s) , if any pertaining to this project for the time being in force, as applicable to project.	Compliance to the provisions of the all Acts, Rules, Regulations, Guidelines, relevant Hon'ble Court Order(s) and national Green Tribunal Order(s) , if any pertaining to this project for the time being in force, will be ensured.

Compliance report is submitted for your kind consideration to obtain the final approval to the proposal from the competent authority.

TECHNICAL REPORT

Name of work: - Catchment Area Treatment (CAT) Plan of Battisa Nalla Minor Irrigation Project, Delder, Tehsil - Aburoad, District-Sirohi (Raj.)

An estimate amounting to Rs 21.55 Lacs has been framed to cover the probable cost of Catchment Area Treatment (CAT) Plan for Battisa Nalla Minor Irrigation Project, Delder, Tehsil - Aburoad, District-Sirohi.

BRIEF INTRODUCTION OF THE PROJECT:-

Battisa Nalla Minor Irrigation Project, Delder, Tehsil Aburoad, District Sirohi is Proposed on Battisa Nalla which is tributary of West Banas River. The proposed dam site is located near village Delder on Delder - Nichalagarh pucca road Tehsil Aburoad, District Sirohi. Gross and Live Storage Capacity of Proposed Dam are 16.35 Mcum and 14.17 Mcum. Latitude & Longitude of site are $24^{\circ}30'43.37''$ N & $72^{\circ}52'32.12''$ E respectively. 7.732 Mcum water will be used for drinking purpose in 31 villages and 2 towns of Sirohi district, and 6.438 Mcum water will be used to irrigate 900ha in 4 Nos of villages of Tehsil Aburoad and Pindwara of Sirohi District.

A&F:-

An Administrative and Financial sanction of the project was accorded by Deputy Secretary & TA to Chief Engineer, Water Resources Rajasthan Jaipur for Battisa Nalla Minor Irrigation Project Tehsil Aburoad District Sirohi of Rs. 228.05 Crores vide Letter No. F.3(12)AS/Cell/96/XVII/120th meeting/274 Dated 28.07.2016 with subject to conditions of Forest Clearance.

NECESSITY:-

As per Hand book of Forest (Conservation) Act, 1980 and Forest (Conservation) Rules 2003 (Amendments made in 2004) in Part-"C" "Application of Forest (Conservation) Act, 1980 para 4.8. It is stated that "In respect of Minor Irrigation Project, Catchment area treatment plan will not be insisted".

Since Battisa Nalla Project is a Minor Irrigation Project, the documentary evidence of project being minor irrigation was sought in FAC meeting Dated 28.02.2017 and same was presented and discussed in FAC meeting dated 17.08.2017.

But as per Minutes of meeting of Forest Advisory Committee held on 17th August, 2017 by MoEF New Delhi vide Agenda Note 4 F.No.8-12/2017-FC Dated 17.08.2017 in point No. 3 of first stage clearance of Battisa Nalla Project stated that CAT Plan Shall be insisted in the project, Which should be submitted before stage II clearance. In view of above requirement of catchment area treatment plan has been prepared for Rs. 21.55 Lacs and submitted for approval.

CATCHMENT AREA TREATMENT (CAT) PLAN :-

Catchment Area is the Watershed of a river basin from where a reservoir receives surface runoff of the rain water through stream, tributaries, and the main rivers itself. The Catchment Area Treatment (CAT) Plan highlights the management techniques to control erosion in the catchment area of a water resources project. The life span of the reservoir is greatly reduced due to silting on account of silt carried by river due to erosion in the catchment area. Adequate preventive measures are thus needed for the treatment of the catchment for the stabilization against future erosion. The Catchment Area Treatment Plan has been formulated with the main objective of arresting erosion in the catchment.

CATCHMENT AREA OF PROJECT :-

The Total catchment area of Battisa Nalla Project is 162.51 Sq. km. i.e. 16251.0 Ha, which is free catchment. The affected catchment area 16251.0 Ha, includes submergence area 158.02 Ha, which will not be available for treatment. Hence the net available area for treatment is $16251.0 \text{ Ha} - 158.02 \text{ Ha} = 16092.98 \text{ Ha}$.

Out of available area of 16092.98 Ha, 13181.0 Ha has previously been treated by Forest Department from 1991 to 2012 and 2936.83 Ha has been treated in MISA-I during 2015-2016. Thus the area already treated is 16117.83 Ha. Hence the Catchment Area of Battisa Nallah is already wholly treated. However 15% (i.e. 285 Ha.) of the area of Nichalakhejra (Total area of village = 1900 Ha.) treated during 1991-95 by Forest Department, has been taken for retreatment in this plan, being the oldest.

BASIS FOR COST ESTIMATION OF CATCHMENT AREA TREATMENT PLAN :-

1. Common guide lines for Watershed development project-2008 Revised edition -2011 of Government of India. (Annexure -3)
2. The bifurcation of budget for IWMP projects. MISA guide lines for preparation of DPR'S (Annexure -4)

The estimate is Chargeable to:-

4702 Battisa nalla B-Land

An early sanction to the estimate is solicited please.

Assistant Engineer
Water Resources Project
Sub Div. Ahirwad

Executive Engineer

Name of work: Catchment Area Treatment (CAT) Plan of Battisa Nalla Minor Irrigation Project, Delder, Tehsil - Aburoad, District-Sirohi (Raj.)

ABSTRACT OF COST

CATCHMENT AREA TREATMENT PLAN(CAT)

Basis for Cost estimation of Catchment Area Treatment Plan:-

1. Common guide lines for water shed development project-2008. Revised edition -2011 of Government of India (Annexure-3)
2. The bifurcation of budget for IWMP project MISA guide lines for preparation of DPR'S (Annexure-4)

Total rate for treatment of Catchment as per annexure -3 =Rs. 15000/-

Net rate for Treatment of Catchment as per Annexure -4=Rs. 7560/-
(i.e. 50.40% of Rs. 15000/-for Water shed development activities)

Hence Total cost of treatment in catchment area.

S.No.	Description	Area in Ha	Rate /Ha.	Amount in Rs.
1	Net Catchment Area to be Treated	285.0	7560.00	2154600.00
Say Rs. In Laes				21.55

Assistant Engineer
Water Resources Project
Sub Div. Aburoad

Executive Engineer

21.55
रुपये पचास पाँच
पैसे (संलग्न)

Name of work: Catchment Area Treatment (CAT) Plan of Battisa Nalla Minor Irrigation Project, Delder, Tehsil - Aburoad, District-Sirohi (Raj.)

Details of CAT Works.

A	Total Catchment Area	162.51 sq.km or 16251.0Ha.
B	Deduct Area under Submergence which will not be available for treatment	(-) 15.802 sq.km or 158.02Ha.
C	Net Area available for Treatment	146.708 sq.km or 16092.98Ha.

D - Catchment Area Already Treated by various Agencies under various schemes.

S.No.	Agency	Scheme	Annexed at	Area Treated (Ha)
1	DCF (Project) Aburoad	Centrally sponsored scheme, Govt. of India, Department of Agriculture and Cooperative under Management of Natural Resources	Annexure -1	13181.00
2	S.E., Water Shed Development and Soil Conservation (Nodel Officer, MISA) Sirohi.	MISA-I Phase	Annexure -2	2936.832
TOTAL Area in Ha.(D)				16117.83
Balance Catchment Area to be Treated (C-D)				(-) 24.85Ha.

Hence Catchment Area of the Project is already Treated, Though 15% area of Nichalakhejra has been proposed to be Retreated, being old work.

Total Area of Nichalakhejra = 1900.00Ha.

Area to be Retreated 15% = 285.00 Ha.

Hence Catchment Area Treatment is proposed in 285.00 Ha.

**COMMON GUIDELINES
FOR
WATERSHED DEVELOPMENT PROJECTS-2008**

Revised Edition - 2011

GOVERNMENT OF INDIA

2011

[Handwritten signature]

संयोजक
राज्य सभासद एवं
मिनीस्ट्री (राजस्थान)

68. The expenditure under the various components of the project budget will be subject to following conditions:

- i. The payments of salaries to the WDTs/ Secretary of the Watershed Committees etc. would be exclusively charged from the administrative cost component.
- ii. Savings, if any, in each component of the project cost can be utilised for activity in watershed works only.
- iii. Purchase of vehicles and other equipments etc., and construction of buildings are not allowed. However, purchase of Computers and related software is permitted.
- iv. PIAs belonging to Line Departments may preferably outsource to VOs/ CBOs community mobilization and capacity building activities.

69. Unit cost for watershed development of Rs. 6000 per hectare was worked out during April 2001. During 11th Plan it has been suitably revised from Rs. 6000 per ha. to Rs.12,000/ha. in plains and Rs.15,000/ ha in difficult/hilly areas in order to take care of the following three aspects: (a) promotion of livelihoods including improvement of productivity through farming systems, (b) complete coverage of area under the watershed including common/ forest land and (c) general escalation in cost of material as well as minimum wages of labourers.

9.4 Procedure for Release of Installments

70. The central share of funds shall be released to the **SLNA** for three phases of the implementation spread over the period in the following manner or as decided by

 Director
 State Resource Centre
 Bhubaneswar

the Nodal Ministry.

- a. The first instalment comprising of preparatory phase activities viz., 20% of the central share will be released straightaway upon the sanction of the project by the SLNA.
- b. The second instalment comprising of 50% of the central share towards the project cost will be released on proper certification and submission of documents after completion of the preparatory phase and 60% expenditure of the first instalment.
- c. The third instalment of 30% including 25% of the central share towards the works phase of the project cost and 3% for the consolidation phase will be released on proper certification of expenditure of 75% of the total funds released supported by relevant documents.

However, the existing arrangements for flow of funds by the concerned Ministries may continue if the above mechanism is not feasible.

71. The release of central funds to SLNA will be made directly on the basis of specific proposals received from SLNA. The fund flow pattern will be as follows:

- i. Project fund relating to Watershed Works, Livelihood and Production System and microenterprises may flow from DoLR to SLNA to WCDC to WC.
- ii. Administrative Cost, Capacity Building, EPA, DPR, Monitoring component of project funds may flow from DoLR to SLNA to WCDC to PIA.

[Handwritten signature]
 श्री. ...
 जिला (मोहम्मद)

9.5 User Charges

72. The Gram Sabha through the Watershed Committee (WC) shall put in place mechanism for collecting user charges. No charge will be taken from landless, destitute or disabled / widow headed house holds for work done on private or public land. The user charges collected shall be credited to the WDF for maintenance of assets created during the project.

9.6 Watershed Development Fund

73. One of the mandatory conditions for the selection of villages for watershed projects is people's contribution towards the Watershed Development Fund (WDF). The Contribution of WDF shall be a minimum 10 % of cost of NRM works executed on private land only. However, in case of SC/ST, small and marginal farmers, the minimum contribution shall be 5 % of cost of NRM works executed on their land.

These contributions would be acceptable either in cash at the time of execution of works or voluntary labour. A sum equivalent to the monetary value of the voluntary labour would be transferred from the watershed project account to the WDF bank account that will be distinct from the Watershed Committee (WC) bank account. User charges, sales proceeds and other contributions, disposal amounts of intermediate usufruct rights shall also be deposited in the WDF bank account. Income earned from assets created under the project on common property resources shall also be credited to WDF.

74. For other cost intensive farming system based livelihood activities/interventions such as Aquaculture, Horticulture, Agro-Forestry, Animal Husbandry etc. on

private land directly benefiting the individual farmers, the contribution of farmers will be 20 percent for general category and 10 percent for SC/ST beneficiaries and the project funds will meet the cost of farming system activity to a maximum limit of an amount equal to double of the unit cost of the project for watershed development (i.e. Rs 12,000/15,000 per ha, as the case may be). Farmers' contribution i.e. 20 percent for general category and 10 percent for SC/ST of this amount (i.e. a maximum of Rs 4800/6000 and Rs 2400/3000 as the case may be, respectively for general category and SC/ST beneficiaries) will go to WDF.

Example:

- a) Assuming the total cost of farming system activity/intervention = Rs 30,000
- Cost of farming system activity to be met from Project fund (@Rs 12,000/ha project unit cost)
- (General category) = Rs 24,000
- (SC/ST) = Rs 24,000
- Farmers' contribution towards WDF
- (General category, 20% of 24,000) = Rs 4800
- (SC/ST, 10% of 24,000) = Rs 2400
- b) Assuming the total cost of farming system activity/intervention = Rs 20,000
- Cost of farming system activity to be met from Project fund (@Rs 12,000/ha project unit cost)
- (General category) = Rs 20,000
- (SC/ST) = Rs 20,000
- Farmers' contribution towards WDF
- (General category, 20% of 20,000) = Rs 4,000
- (SC/ST, 10% of 20,000) = Rs 2,000

Farmers' contribution to WDF in such case would be acceptable in cash at the time of execution of works.

75. The Secretary, Watershed Committee (WC) shall maintain a completely separate account of the income and expenditure of the WDF. Rules for operation of the fund should be prepared by the Watershed Committee (WC) and ratified by the Gram Sabha. The WDF bank account should be operated by the President of the Gram Panchayat and any member from the SHG nominated by the Gram Sabha. Alternatively, the guidelines for the management and utilization of the WDF may be evolved by the concerned Nodal Ministry.
76. After completion of Phase II, at least 50% of the WDF funds shall be reserved for maintenance of assets created on community land or for common use under the project. Works taken up on private land shall not be eligible for repair/maintenance out of this Fund. The remaining money may be used as a revolving fund to advance loans to the villagers of the project area who have contributed to the fund. Individuals as well as charitable institutions should be encouraged to contribute generously to this Fund.

9.7 Coordination with Other Schemes / Projects

77. Eleventh Five Year Plan offers an opportunity to converge and harmonise resources of different schemes and programmes specially those under Bharat Nirman and other flagship schemes with watershed development projects. Mandatory preparation of district level plans will be in a position to enable convergence and synergies at the grass-root level. The DPR may elaborate gaps to be filled or watershed activities to be taken up out of BRGF, MGNREGS, artificial ground water recharging, renovation and repairs of tanks, water bodies and any other available sources. Marketing and value addition is also possible

3.2 जलग्रहण भूसंरक्षण विभाग

जलग्रहण प्रबन्धन कार्यक्रम

एक संकल्पना

राज्य की लगभग 70 प्रतिशत भूमि चारानी है एवं वर्षा पर निर्भर है। राज्य की औसत वर्षा लगभग 492 मि.मी. है। राज्य में कम वर्षा होने के उपरान्त भी अधिकांश क्षेत्रों से जल व्यर्थ बहकर निकल जाता है और साथ ही खेतों में कटाव कर उपजाऊ मिट्टी भी बहा ले जाता है। ऐसी परिस्थिति में यह आवश्यक है कि जगह-जगह वर्षा जल का संचय कर प्राकृतिक संसाधनों का पूरा उपयोग किया जाय और खुशहाली की राह पर अग्रसर हुआ जावे।

जलग्रहण क्या है ?

- जलग्रहण क्षेत्र एक ऐसा भू-जलीय भाग है, जिसमें गिरने वाला बरसात का पानी एक ही निकास बिन्दु से बाहर निकलता है।

- जिन क्षेत्रों में निकास नालियाँ स्पष्ट रूप से नहीं पाई जाती (नकरस्थलीय क्षेत्रों में), जलग्रहण विकास कार्य बलस्टर आधार पर कराए जाते हैं।

जलग्रहण विकास के मुख्य उद्देश्य

- पर्यावरणीय सन्तुलन बनाना।
- वर्षा जल संरक्षण।
- भूमि का कटाव रोकना।
- चारागाह विकास।
- वृक्षारोपण।
- कृषि उत्पादन बढ़ाना।
- बंजर भूमि का विकास कर कृषि योग्य भूमि में बदलना।
- चारे और जलाकृत ईंधन में वृद्धि।
- पशुपालन गतिविधियाँ सम्पादित कर आय में वृद्धि।
- जन समुदाय हेतु स्थायी जीविकोपार्जन के साधनों में वृद्धि।

जलग्रहण परियोजनाओं (आई.डब्ल्यू.एम.पी) में बजट का वितरण

बजट संघटक	बजट की प्रतिशतता
- प्रशासनिक लागत - निगरानी - मूल्यांकन	9.0 0.9 0.9
प्रारम्भिक चरण - प्रारम्भिक कार्यकलाप (ई.पी.ए.) - संस्थापन तथा क्षमता निर्माण (आई.एण्ड सी.सी.) - विस्तृत परियोजना रिपोर्ट (डी.पी.आर.)	3.6 4.5 0.9

समेकन चरण पलैक्सी	2.7 10.0
योग	100

प्रधान मंत्री कृषि सिंचाई योजना -- जलग्रहण मद (पूर्व आई.डब्ल्यू.एम.पी)

भारत सरकार द्वारा वर्ष 2009-10 से 2014-15 तक कुल 1025 जलग्रहण परियोजनाएं स्वीकृत की जा चुकी है, जिसके तहत स्वीकृत वर्ष से 4-7 वर्ष की अवधि में 57.01 लाख हेक्टेयर क्षेत्रफल उपचारित करने का लक्ष्य रखा गया है जिसकी अनुमानित लागत रु. 7808.87 करोड है। पूर्व में एकीकृत जलग्रहण प्रबन्धन कार्यक्रम के अन्तर्गत उक्त परियोजनाएं स्वीकृत की गई थी जिनमें केन्द्रीयांश एवं राज्यांश का अनुपात 90 : 10 निर्धारित था। वर्तमान में एकीकृत जलग्रहण प्रबन्धन कार्यक्रम का नाम परिवर्तित कर प्रधानमंत्री कृषि सिंचाई योजना (PMKSY) (जलग्रहण विकास) कर दिया गया है एवं केन्द्रीयांश एवं राज्यांश का अनुपात भी 50 : 50 कर दिया गया है।

आई.डब्ल्यू.एम.पी. योजना के चरण -- अवधि

चरण	नाम	अवधि
I	प्रारंभिक चरण	1 - 2 वर्ष
II	कार्य चरण	2 - 3 वर्ष
III	निकासी चरण	1 - 2 वर्ष

जलग्रहण अन्तर्गत गतिविधियां

कृषि भूमि आधारित गतिविधियां :

इस गतिविधि के अन्तर्गत कृषि भूमि कटाव रोकने एवं उत्पादकता बढ़ाने के उद्देश्य से कार्य सम्पादित किये जाते हैं, जो कि निम्नानुसार है :-

- टांका निर्माण
- खडीन निर्माण
- कन्दूर बण्ड निर्माण -- मेड़बन्दी निर्माण
- फार्म बण्डिंग एवं वेस्टवियर निर्माण
- फार्म पौण्ड निर्माण

विषय : बत्तीसा नाला लघु सिंचाई परियोजना के खूबक्षेत्र से प्रभावितों के लिए पुनर्वासन एवं पुनर्व्यवस्थापन स्कीम के अनुमोदन बाबत।

प्रसंग : अध्यक्ष, पुनर्वासन एवं पुनर्व्यवस्थापन समिति(जिला कलेक्टर), सिरोही का पत्र क्रमांक:बत्तीसा परि/पुनर्वासन/2017/4427 दिनांक 3.7.17

महोदय,

उपर्युक्त विषयांतर्गत बत्तीसा नाला लघु सिंचाई परियोजना, देलदर, तहसील आदूपोड, जिला सिरोही के खूबक्षेत्र से विस्थापित होने वाले परिवारों के विस्थापन हेतु प्रशासक, पुनर्वासन एवं पुनर्व्यवस्थापन(उपखंड अधिकारी) आदूपर्वत द्वारा प्रारूप पुनर्वासन एवं पुनर्व्यवस्थापन स्कीम तैयार की गई है।

प्रारूप पुनर्वासन एवं पुनर्व्यवस्थापन स्कीम का अनुमोदन संबंधित ग्रामसभाओं देलदर, जायदरा एवं निचलागड द्वारा दिनांक 29.5.17 को किया गया है तथा इस हेतु संबंधित ग्रामसभाओं में जनसुनवाई भी दिनांक 29.5.17 को आयोजित की गई है।

अध्यक्ष, पुनर्वासन एवं पुनर्व्यवस्थापन समिति (जिला कलेक्टर), सिरोही ने "भूमि अर्जन, पुनर्वासन एवं पुनर्व्यवस्थापन में उचित प्रतिकर और पारदर्शिता अधिकार अधिनियम, 2013" की धारा 17(2) के अंतर्गत पुनर्वासन एवं पुनर्व्यवस्थापन स्कीम को अनुमोदित करने की अनुशंसा की है। अतः अधिनियम की धारा 18 के अनुसरण में बत्तीसा नाला लघु सिंचाई परियोजना के खूबक्षेत्र से विस्थापितों हेतु प्रशासक द्वारा तैयार की गई प्रारूप पुनर्वासन एवं पुनर्व्यवस्थापन स्कीम का अनुमोदन किया जाता है।

अनुमोदित स्कीम अग्रिम आवश्यक कार्यवाही हेतु प्रेषित है।

बत्तीसा नाला लघु सिंचाई परियोजना पुनर्वास एवं पुनर्व्यवस्थापन प्लान

तहसील: आबूरोड जिला: सिरौही

संक्षिप्त प्रतिवेदन

परियोजना परिचय :-

बत्तीसा नाला लघु सिंचाई परियोजना ग्राम देलदर, तहसील आबूरोड के समीप बत्तीसा नाला पर निर्मित किया जाना प्रस्तावित है। बांध स्थल की आबूरोड से दूरी 15 कि.मी. व जिला मुख्यालय सिरौही से दूरी 70 कि.मी. है। राज्य सरकार द्वारा परियोजना की प्रशासनिक एवं वित्तीय स्वीकृति आदेश क्रमांक F-3(12) AS/J/Cell/95/XVII/120th meeting/ 274 dated 28.07.2016 द्वारा राशि रु. 226.05 करोड़ की जारी गई है। परियोजना का शिलान्यास दिनांक 29.07.2016 को माननीय मुख्यमंत्री महोदय राजस्थान सरकार द्वारा किया गया था।

प्रस्तावित परियोजना में बांध की कुल भराव क्षमता 577.40 मि.घ.फु. एवं उपयोगी भराव क्षमता 500.40 मि.घ.फु. है। बांध में उपलब्ध पानी में से 269.90 मि.घ.फु. जल का उपयोग सिरौही जिले के 31 गांवों व 2 शहरों को पेयजल सुविधा हेतु तथा शेष पानी को ग्राम देलदर भारजा इत्यादि गांवों की 900 हेक्टर में सिंचाई सुविधा उपलब्ध कराया जाना प्रस्तावित है। पेयजल हेतु उपलब्ध कराये जाने वाले आरक्षित पानी का समानुपातिक हिस्सा राशि रु. 108.20 करोड़ जन स्वास्थ्य अभियंत्रिकी विभाग द्वारा प्रदान की जावेगी।

बत्तीसा नाला लघु सिंचाई परियोजना के निर्माण में डूब क्षेत्र, डैम लाईन एवं विस्थापित होने वाली सड़क में कुल 158.32 हेक्टर भूमि प्रभावित होती है जिसमें से 91.202 हेक्टर भूमि वन विभाग के अधिपत्य की भूमि है तथा शेष 72.98 हेक्टर भूमि निजी खातेदारी, आबादी एवं सरकारी विलानाम भूमि है।

पूर्ण भराव क्षमता पर आबूरोड तहसील का क्यारी गांव (ग्राम पंचायत जायदरा) पूर्ण एवं देलदर, जायदरा, निचलागढ़ तीन गांव आंशिक रूप से डूब क्षेत्र से प्रभावित होंगे। डूब क्षेत्र से विस्थापित होने वाले परिवारों की संख्या 291 है, जो सभी अनुसूचित जनजाति के हैं।

पुनर्वासन एवं पुनर्व्यवस्थापन स्कीम :-

बत्तीसा नाला लघु सिंचाई परियोजना के डूब क्षेत्र में आ रहे सिरौही जिले की आबूरोड तहसील के 4 गांव की भूमि प्रभावित होगी तथा दो गांवों क्यारी एवं निचलागढ़ के 291 परिवार प्रभावित होंगे जिनका पुनर्व्यवस्थापन किया जावेगा। पुनर्वासन एवं पुनर्व्यवस्थापन हेतु भूमि राजस्व विभाग द्वारा आवंटित की जावेगी।

मुआवजा :-

डूब में आने वाली भूमि एवं अन्य परिसम्पत्तियों का मुआवजा "भूमि अधिनियम पुनर्वासन एवं पुनर्व्यवस्थापन में सचित प्रतिकर और परवर्तिता अधिकार का अधिनियम 2013" के प्रावधानों के अनुसार किया जावेगा। भूमि अधिपति हेतु धारा-4 के अन्तर्गत अधिसूचना राज्य सरकार द्वारा क्रमांक 74/भू.अ./ज.सं./2015/5068-5671 दिनांक 28.09.2016 को जारी की गई थी तथा संबंधित ग्राम पंचायत की सामाजिक समायोक्त निर्धारण अध्ययन हेतु अधिकृत किया गया।

राज्य सरकार द्वारा आदेश क्रमांक 74/भू.अ./ज.सं./2015/5672-5678 दिनांक 28.09.2016 द्वारा धारा-7 के अन्तर्गत सामाजिक समायोक्त निर्धारण अध्ययन के मूलांकन हेतु बहुशाखीय विशेषज्ञ समूह का गठन किया गया तथा आदेश क्रमांक/150/भू.अ./ज.सं./2016/6845-47 दिनांक 13.12.2016 को धारा-8 के अन्तर्गत सामाजिक समायोक्त निर्धारण रिपोर्ट का अनुमोदन किया गया।

अधिनियम की धारा-11 के अन्तर्गत राज्य सरकार द्वारा क्रमांक 150/भू.अ./ज.सं./2016/ 6872 दिनांक 14.12.2016 को विज्ञप्ति जारी कर उपखण्ड अधिकारी, आबूरोड की प्रशासक नियुक्त किया गया तथा धारा-11 के प्रकाशन की तिथि 26.12.2016 से 60 दिवस की अधि में किसी हितवद्ध व्यक्ति द्वारा आपत्ति प्रस्तुत नहीं किये जाने से भूमि अधिपति अधिकारी एवं उपखण्ड अधिकारी, आबूरोड द्वारा धारा-15 की कार्यवाही दिनांक 05.03.2017 को पूर्ण कर धारा-16 की कार्यवाही प्रारम्भ की गई।

प्राप्त आपत्तियों की पालना में दिनांक 01.06.2017 से 07.06.2017 को डूब क्षेत्र के परिवारों व परिसम्पत्तियों की पुनः गणना की गई तथा गणना/सर्वेक्षण से प्राप्त आंकड़ों का समावेश कर प्राप्त पुनर्वासन एवं पुनर्व्यवस्थान स्कीम तैयार की गई है।

सारांश

पहली अनुसूची - भू-स्वामियों के लिये प्रतिकर :- अधिनियम 2013 की पहली अनुसूची के अनुसार अवाप्त की जाने वाली निजी भूमि का दिवरण निम्नानुसार है :-

(Published in the Gazette of India, Extraordinary, Part-II, and Section 3, Sub-section (ii)
MINISTRY OF ENVIRONMENT AND FORESTS

New Delhi 14th September, 2006

Notification

S.O. 1533 Whereas, a draft notification under sub-rule (3) of Rule 5 of the Environment (Protection) Rules, 1986 for imposing certain restrictions and prohibitions on new projects or activities, or on the expansion or modernization of existing projects or activities based on their potential environmental impacts as indicated in the Schedule to the notification, being undertaken in any part of India¹, unless prior environmental clearance has been accorded in accordance with the objectives of National Environment Policy as approved by the Union Cabinet on 18th May, 2006 and the procedure specified in the notification, by the Central Government or the State or Union territory Level Environment Impact Assessment Authority (SEIAA), to be constituted by the Central Government in consultation with the State Government or the Union territory Administration concerned under sub-section (3) of section 3 of the Environment (Protection) Act, 1986 for the purpose of this notification, was published in the Gazette of India, Extraordinary, Part II, section 3, sub-section (ii) vide number S.O. 1324 (E) dated the 15th September, 2005 inviting objections and suggestions from all persons likely to be affected thereby within a period of sixty days from the date on which copies of Gazette containing the said notification were made available to the public;

And whereas, copies of the said notification were made available to the public on 15th September, 2005;

And whereas, all objections and suggestions received in response to the above mentioned draft notification have been duly considered by the Central Government;

Now, therefore, in exercise of the powers conferred by sub-section (1) and clause (v) of sub-section (2) of section 3 of the Environment (Protection) Act, 1986, read with clause (d) of sub-rule (3) of rule 5 of the Environment (Protection) Rules, 1986 and in supersession of the notification number S.O. 60 (E) dated the 27th January, 1994, except in respect of things done or omitted to be done before such supersession, the Central Government hereby directs that on and from the date of its publication the required construction of new projects or activities or the expansion or modernization of existing projects or activities listed in the Schedule to this notification, entailing capacity addition with change in process and/or technology shall be undertaken in any part of India only after the prior environmental clearance from the Central Government or as the case may be, by the State Level Environment Impact Assessment Authority, duly constituted by the Central Government under sub-section (3) of section 3 of the said Act, in accordance with the procedure specified hereinafter in this notification,

¹Includes the territorial waters.

(जे. पी. शर्मा)
अधिसूची अभियन्ता

सिरोही (राजस्थान)

2. **Requirements of prior Environmental Clearance (EC):-** The following projects or activities shall require prior environmental clearance from the concerned regulatory authority, which shall hereinafter referred to be as the Central Government in the Ministry of Environment and Forests for matters falling under Category 'A' in the Schedule and at State level the State Environment Impact Assessment Authority (SEIAA) for matters falling under Category 'B' in the said Schedule, before any construction work, or preparation of land by the project management except for securing the land, is started on the project or activity:

- (i) All new projects or activities listed in the Schedule to this notification;
- (ii) Expansion and modernization of existing projects or activities listed in the Schedule to this notification with addition of capacity beyond the limits specified for the concerned sector, that is, projects or activities which cross the threshold limits given in the Schedule, after expansion or modernization;
- (iii) Any change in product - mix in an existing manufacturing unit included in Schedule beyond the specified range.

3. **State Level Environment Impact Assessment Authority:-** (1) A State Level Environment Impact Assessment Authority hereinafter referred to as the SEIAA shall be constituted by the Central Government under sub-section (3) of section 3 of the Environment (Protection) Act, 1986 comprising of three Members including a Chairman and a Member - Secretary to be nominated by the State Government or the Union territory Administration concerned.

- (2) The Member-Secretary shall be a serving officer of the concerned State Government or Union territory administration familiar with environmental laws.
- (3) The other two Members shall be either a professional or expert fulfilling the eligibility criteria given in Appendix VI to this notification.
- (4) One of the specified Members in sub-paragraph (3) above who is an expert in the Environmental Impact Assessment process shall be the Chairman of the SEIAA.
- (5) The State Government or Union territory Administration shall forward the names of the Members and the Chairman referred in sub-paragraph 3 to 4 above to the Central Government and the Central Government shall constitute the SEIAA as an authority for the purposes of this notification within thirty days of the date of receipt of the names.
- (6) The non-official Member and the Chairman shall have a fixed term of three years (from the date of the publication of the notification by the Central Government constituting the authority).
- (7) All decisions of the SEIAA shall be unanimous and taken in a meeting.

4. **Categorization of projects and activities:-**

- (i) All projects and activities are broadly categorized in to two categories - Category A and Category B, based on the spatial extent of potential impacts and potential impacts on human health and natural and man made resources.

(ज. पी. शर्मा)
अतिरिक्ती अधिकारी
जल संसाधन खण्ड
बिजनेस (राजस्थान)

(ii) All projects or activities included as Category 'A' in the Schedule, including expansion and modernization of existing projects or activities and change in product mix, shall require prior environmental clearance from the Central Government in the Ministry of Environment and Forests (MoEF) on the recommendations of an Expert Appraisal Committee (EAC) to be constituted by the Central Government for the purposes of this notification;

(iii) All projects or activities included as Category 'B' in the Schedule, including expansion and modernization of existing projects or activities as specified in sub paragraph (ii) of paragraph 2, or change in product mix as specified in sub paragraph (iii) of paragraph 2, but excluding those which fulfill the General Conditions (GC) stipulated in the Schedule, *will* require prior environmental clearance from the State/Union territory Environment Impact Assessment Authority (SEIAA). The SEIAA shall base its decision on the recommendations of a State or Union territory level Expert Appraisal Committee (SEAC) as to be constituted for in this notification. In the absence of a duly constituted SEIAA or SEAC, a Category 'B' project shall be treated as a Category 'A' project;

5. Screening, Scoping and Appraisal Committees:-

The same Expert Appraisal Committees (EACs) at the Central Government and SEACs (hereinafter referred to as the (EAC) and (SEAC) at the State or the Union territory level shall screen, scope and appraise projects or activities in Category 'A' and Category 'B' respectively. EAC and SEAC's shall meet at least once every month.

(a) The composition of the EAC shall be as given in Appendix VI. The SEAC at the State or the Union territory level shall be constituted by the Central Government in consultation with the concerned State Government or the Union territory Administration with identical composition;

(b) The Central Government may, with the prior concurrence of the concerned State Governments or the Union territory Administrations, constitute one SEAC for more than one State or Union territory for reasons of administrative convenience and cost;

(c) The EAC and SEAC shall be reconstituted after every three years;

(d) The authorised members of the EAC and SEAC, concerned, may inspect any site(s) connected with the project or activity in respect of which the prior environmental clearance is sought, for the purposes of screening or scoping or appraisal, with prior notice of at least seven days to the applicant, who shall provide necessary facilities for the inspection;

(e) The EAC and SEACs shall function on the principle of collective responsibility. The Chairperson shall endeavour to reach a consensus in each case, and if consensus cannot be reached, the view of the majority shall prevail.

6. Application for Prior Environmental Clearance (EC):-

An application seeking prior environmental clearance in all cases shall be made in the prescribed Form 1 annexed herewith and Supplementary Form 1A, if applicable, as given in Appendix II, after the identification of prospective site(s) for the project and/or activities to which the application relates, before commencing any construction activity, or preparation of land, at the site by the applicant. The applicant shall furnish, along with the application, a copy of the pre-feasibility project report except that, in case of construction projects or activities (item 8 of the Schedule) in addition to Form 1 and the Supplementary Form 1A, a copy of the conceptual plan shall be provided, instead of the pre-feasibility report.

(जि. पी. शर्मा)
अधिकांशी अधिकारी
जल संसाधन विभाग
नियंत्रण (सामान्य)

7. Stages in the Prior Environmental Clearance (EC) Process for New Projects:-

7(i) The environmental clearance process for new projects will comprise of a maximum of four stages, all of which may not apply to particular cases as set forth below in this notification. These four stages in sequential order are:-

- Stage (1) Screening (Only for Category 'B' projects and activities)
- Stage (2) Scoping
- Stage (3) Public Consultation
- Stage (4) Appraisal

I. Stage (1) - Screening

In case of Category 'B' projects or activities, this stage will entail the scrutiny of an application seeking prior environmental clearance made in Form I by the concerned State level Expert Appraisal Committee (SEAC) for determining whether or not the project or activity requires further environmental studies for preparation of an Environmental Impact Assessment (EIA) for its appraisal prior to the grant of environmental clearance depending up on the nature and location specificity of the project. The projects requiring an Environmental Impact Assessment report shall be termed Category 'B1' and remaining projects shall be termed Category 'B2' and will not require an Environment Impact Assessment report. For categorization of projects into B1 or B2 except item 8 (b), the Ministry of Environment and Forests shall issue appropriate guidelines from time to time.

II. Stage (2) - Scoping

(i) "Scoping" refers to the process by which the Expert Appraisal Committee in the case of Category 'A' projects or activities, and State level Expert Appraisal Committee in the case of Category 'B1' projects or activities, including applications for expansion and/or modernization and/or change in product mix of existing projects or activities, determine detailed and comprehensive Terms Of Reference (TOR) addressing all relevant environmental concerns for the preparation of an Environment Impact Assessment (EIA) Report in respect of the project or activity for which prior environmental clearance is sought. The Expert Appraisal Committee or State level Expert Appraisal Committee concerned shall determine the Terms of Reference on the basis of the information furnished in the prescribed application Form I/Form 1A including Terms of Reference proposed by the applicant, a site visit by a sub-group of Expert Appraisal Committee or State level Expert Appraisal Committee concerned only if considered necessary by the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned. Terms of Reference suggested by the applicant if furnished and other information that may be available with the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned. All projects and activities listed as Category 'B' in Item 8 of the Schedule (Construction/Township/Commercial Complexes/Housing) shall not require Scoping and will be appraised on the basis of Form I/Form 1A and the conceptual plan.

(ii) The Terms of Reference (TOR) shall be conveyed to the applicant by the Expert Appraisal Committee or State Level Expert Appraisal Committee as concerned within sixty days of the receipt of Form I. In the case of Category A Hydroelectric projects Item 1(c) (i) of the Schedule the Terms of Reference shall be conveyed along with the clearance for pre-construction activities. If the Terms of Reference are not finalized and conveyed to the applicant within sixty days of the receipt of Form I, the Terms of Reference suggested by the applicant shall be deemed as the final Terms of Reference approved for the EIA studies. The approved Terms of

(**डॉ. पी. शर्मा**)
राष्ट्रिय अखिल-भारतीय
राज्य-राज्य-राज्य
विभाग (पर्यावरण)

Reference shall be displayed on the website of the Ministry of Environment and Forests and the concerned State Level Environment Impact Assessment Authority.

(iii) Applications for prior environmental clearance may be rejected by the regulatory authority concerned on the recommendation of the EAC or SEAC concerned at this stage itself. In case of such rejection, the decision together with reasons for the same shall be communicated to the applicant in writing within sixty days of the receipt of the application.

III. Stage (3) - Public Consultation:

(i) "Public Consultation" refers to the process by which the concerns of local affected persons and others who have plausible stake in the environmental impacts of the project or activity are ascertained with a view to taking into account all the material concerns in the project or activity design as appropriate. All Category 'A' and Category B1 projects or activities shall undertake Public Consultation, except the following:-

- (a) modernization of irrigation projects (item 1(c) (ii) of the Schedule).
- (b) all projects or activities located within industrial estates or parks (item 7(c) of the Schedule) approved by the concerned authorities, and which are not disallowed in such approvals.
- (c) expansion of Roads and Highways (item 7 (f) of the Schedule) which do not involve any further acquisition of land.
- (d) all Building /Construction projects/Area Development projects and Townships (item 8).
- (e) all Category 'B2' projects and activities.
- (f) all projects or activities concerning national defence and security or involving other strategic considerations as determined by the Central Government.

(ii) The Public Consultation shall ordinarily have two components comprising of:-

(a) a public hearing at the site or in its close proximity- district wise, to be carried out in the manner prescribed in Appendix IV, for ascertaining concerns of local affected persons;

(b) obtain responses in writing from other concerned persons having a plausible stake in the environmental aspects of the project or activity.

(iii) the public hearing at, or in close proximity to, the site(s) in all cases shall be conducted by the State Pollution Control Board (SPCB) or the Union territory Pollution Control Committee (UTPCC) concerned in the specified manner and forward the proceedings to the regulatory authority concerned within 45(forty five) or a request to the effect from the applicant.

(iv) in case the State Pollution Control Board or the Union territory Pollution Control Committee concerned does not undertake and complete the public hearing within the specified period, and/or does not convey the proceedings of the public hearing within the prescribed period

(Dr. M. S. Kumar)
अधिकांशी अधिकारी
एन.ए.ए.ए.ए.ए.ए.
विभागी (राज्यस्तर)

directly to the regulatory authority concerned as above, the regulatory authority shall engage another public agency or authority which is not subordinate to the regulatory authority, to complete the process within a further period of forty five days.

(v) If the public agency or authority nominated under the sub paragraph (iii) above reports to the regulatory authority concerned that owing to the local situation, it is not possible to conduct the public hearing in a manner which will enable the views of the concerned local persons to be freely expressed, it shall report the facts in detail to the concerned regulatory authority, which may, after due consideration of the report and other reliable information that it may have, decide that the public consultation in the case need not include the public hearing.

(vi) For obtaining responses in writing from other concerned persons having a plausible stake in the environmental aspects of the project or activity, the concerned regulatory authority and the State Pollution Control Board (SPCB) or the Union territory Pollution Control Committee (UTPCC) shall invite responses from such concerned persons by placing on their website the Summary EIA report prepared in the format given in Appendix IIIA by the applicant along with a copy of the application in the prescribed form, within seven days of the receipt of a written request for arranging the public hearing. Confidential information including non-disclosable or legally privileged information involving Intellectual Property Right, source specified in the application shall not be placed on the web site. The regulatory authority concerned may also use other appropriate media for ensuring wide publicity about the project or activity. The regulatory authority shall, however, make available on a written request from any concerned person the Draft EIA report for inspection at a notified place during normal office hours till the date of the public hearing. All the responses received as part of this public consultation process shall be forwarded to the applicant through the quickest available means.

(vii) After completion of the public consultation, the applicant shall address all the material environmental concerns expressed during this process, and make appropriate changes in the draft EIA and EMP. The final EIA report, so prepared, shall be submitted by the applicant to the concerned regulatory authority for appraisal. The applicant may alternatively submit a supplementary report to draft EIA and EMP addressing all the concerns expressed during the public consultation.

IV. Stage (4) - Appraisal:

(i) Appraisal means the detailed scrutiny by the Expert Appraisal Committee or State Level Expert Appraisal Committee of the application and other documents like the Final EIA report, outcome of the public consultations including public hearing proceedings, submitted by the applicant to the regulatory authority concerned for grant of environmental clearance. This appraisal shall be made by Expert Appraisal Committee or State Level Expert Appraisal Committee concerned in a transparent manner in a proceeding to which the applicant shall be invited for furnishing necessary clarifications in person or through an authorized representative. On conclusion of this proceeding, the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned shall make categorical recommendations to the regulatory authority concerned either for grant of prior environmental clearance on stipulated terms and conditions, or rejection of the application for prior environmental clearance, together with reasons for the same.

(ii) The appraisal of all projects or activities which are not required to undergo public consultation, or submit an Environment Impact Assessment report, shall be carried out on the basis of the prescribed application Form I and Form IA as applicable, any other relevant

(जे. पी. शर्मा)
अभिजाती अभियंता
राज्य अभियंता, राजस्थान
जोधपुर (राजस्थान)

validated information available and the site visit wherever the same is considered as necessary by the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned.

(iii) The appraisal of an application shall be completed by the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned within sixty days of the receipt of the final Environment Impact Assessment report and other documents or the receipt of Form I and Form I A, where public consultation is not necessary and the recommendations of the Expert Appraisal Committee or State Level Expert Appraisal Committee shall be placed before the competent authority for a final decision within the next fifteen days. The prescribed procedure for appraisal is given in Appendix V :

7(ii). Prior Environmental Clearance (EC) process for Expansion or Modernization or Change of product mix in existing projects.

All applications seeking prior environmental clearance for expansion with increase in the production capacity beyond the capacity for which prior environmental clearance has been granted under this notification or with increase in either lease area or production capacity in the case of mining projects or for the modernization of an existing unit with increase in the total production capacity beyond the threshold limit prescribed in the Schedule to this notification through change in process and or technology or involving a change in the product mix shall be made in Form I and they shall be considered by the concerned Expert Appraisal Committee or State Level Expert Appraisal Committee within sixty days, who will decide on the due diligence necessary including preparation of EIA and public consultations and the application shall be appraised accordingly for grant of environmental clearance.

8. Grant or Rejection of Prior Environmental Clearance (EC):

(i) The regulatory authority shall consider the recommendations of the EAC or SEAC concerned and convey its decision to the applicant within forty five days of the receipt of the recommendations of the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned or in other words within one hundred and five days of the receipt of the final Environment Impact Assessment Report, and where Environment Impact Assessment is not required, within one hundred and five days of the receipt of the complete application with requisite documents, except as provided below.

(ii) The regulatory authority shall normally accept the recommendations of the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned. In cases where it disagrees with the recommendations of the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned, the regulatory authority shall request reconsideration by the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned within forty five days of the receipt of the recommendations of the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned while stating the reasons for the disagreement. An intimation of this decision shall be simultaneously conveyed to the applicant. The Expert Appraisal Committee or State Level Expert Appraisal Committee concerned, in turn, shall consider the observations of the regulatory authority and furnish its views on the same within a further period of sixty days. The decision of the regulatory authority after considering the views of the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned shall be final and conveyed to the applicant by the regulatory authority concerned within the next thirty days.

(iii) In the event that the decision of the regulatory authority is not communicated to the applicant within the period specified in sub-paragraphs (i) or (ii) above, as applicable, the

(Signature)

 वि. वि. (राज. वन विभाग)

applicant may proceed as if the environment clearance sought for has been granted or denied by the regulatory authority in terms of the final recommendations of the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned.

(iv) On expiry of the period specified for decision by the regulatory authority under paragraph (i) and (ii) above, as applicable, the decision of the regulatory authority, and the final recommendations of the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned shall be public documents.

(v) Clearances from other regulatory bodies or authorities shall not be required prior to receipt of applications for prior environmental clearance of projects or activities, or screening, or scoping, or appraisal, or decision by the regulatory authority concerned, unless any of these is sequentially dependent on such clearance either due to a requirement of law, or for necessary technical reasons.

(vi) Deliberate concealment and/or submission of false or misleading information or data which is material to screening or scoping or appraisal or decision on the application shall make the application liable for rejection, and cancellation of prior environmental clearance granted on that basis. Rejection of an application or cancellation of a prior environmental clearance already granted, on such ground, shall be decided by the regulatory authority, after giving a personal hearing to the applicant, and following the principles of natural justice.

9. Validity of Environmental Clearance (EC):

The "Validity of Environmental Clearance" is meant the period from which a prior environmental clearance is granted by the regulatory authority, or may be presumed by the applicant to have been granted under sub paragraph (iv) of paragraph 7 above, to the start of production operations by the project or activity, or completion of all construction operations in case of construction projects (item 8 of the Schedule), to which the application for prior environmental clearance refers. The prior environmental clearance granted for a project or activity shall be valid for a period of ten years in the case of River Valley projects (item 1(c) of the Schedule), project life as estimated by Expert Appraisal Committee or State Level Expert Appraisal Committee subject to a maximum of thirty years for mining projects and five years in the case of all other projects and activities. However, in the case of Area Development projects and Townships (item 8(b)), the validity period shall be limited only to such activities as may be the responsibility of the applicant as a developer. This period of validity may be extended by the regulatory authority concerned by a maximum period of five years provided an application is made to the regulatory authority by the applicant within the validity period, together with an updated Form 1, and Supplementary Form 1A, for Construction projects or activities (item 8 of the Schedule). In this regard the regulatory authority may also consult the Expert Appraisal Committee or State Level Expert Appraisal Committee as the case may be.

10. Post Environmental Clearance Monitoring:

(i) It shall be mandatory for the project management to submit half-yearly compliance reports in respect of the stipulated prior environmental clearance terms and conditions in hard and soft copies to the regulatory authority concerned, on 1st June and 1st December of each calendar year.

(ii) All such compliance reports submitted by the project management shall be public documents. Copies of the same shall be given to any person on application to the concerned regulatory authority. The latest such compliance report shall also be displayed on the web site of the concerned regulatory authority.

 Director, Environment
 Ministry of Environment
 Government of India

11. Transferability of Environmental Clearance (EC):

A prior environmental clearance granted for a specific project or activity to an applicant may be transferred during its validity to another legal person entitled to undertake the project or activity on application by the transferor, or by the transferee with a written "no objection" by the transferor, to, and by the regulatory authority concerned, on the same terms and conditions under which the prior environmental clearance was initially granted, and for the same validity period. No reference to the Expert Appraisal Committee or State Level Expert Appraisal Committee concerned is necessary in such cases.

12. Operation of EIA Notification, 1994, till disposal of pending cases:

From the date of final publication of this notification the Environment Impact Assessment (EIA) notification number S.O.60 (E) dated 27th January, 1994 is hereby superseded, except in suppression of the things done or omitted to be done before such suppression to the extent that in case of all or some types of applications made for prior environmental clearance and pending on the date of final publication of this notification, the Central Government may relax any one or all provisions of this notification except the list of the projects or activities requiring prior environmental clearance in Schedule I, or continue operation of some or all provisions of the said notification, for a period not exceeding one year from the date of issue of this notification.

SCHEDULE

(See paragraph 2 and 7)

LIST OF PROJECTS OR ACTIVITIES REQUIRING PRIOR ENVIRONMENTAL CLEARANCE

Project or Activity		Category with threshold limit		Conditions if any
		A	B	
I		Mining, extraction of natural resources and power generation (for a specified production capacity)		
(1)	(2)	(3)	(4)	(5)
I(a)	Mining of minerals	≥ 50 ha. of mining lease area Asbestos mining irrespective of mining area.	< 50 ha ≥ 5 ha. of mining lease area.	General Condition shall apply <u>Note</u> Mineral prospecting (not involving drilling) are exempted provided the concession areas have got previous clearance for physical survey
I(b)	Offshore and onshore oil and gas exploration, development & production	All projects		<u>Note</u> Exploration Surveys (not involving drilling) are exempted provided the concession areas have got previous clearance for physical survey
I(c)	River Valley projects	(i) ≥ 50 MW hydroelectric power generation; (ii) $\geq 10,000$ ha. of culturable command area	(i) < 50 MW ≥ 25 MW hydroelectric power generation; (ii) $< 10,000$ ha. of culturable command area	General Condition shall apply
I(d)	Thermal Power Plants	≥ 500 MW (coal/lignite/naphtha & gas based); ≥ 50 MW (Pet coke diesel and all other fuels.)	< 500 MW (coal/lignite/naphtha & gas based); < 50 MW ≥ 5 MW (Pet coke diesel and all other fuels.)	General Condition shall apply

Annexure-II

FORM-II

(for projects other than linear projects)

Government of Rajasthan

Office of the District Collector, Sirohi

No. 11830

Dated 30/12/2016

TO WHOMSOEVER IT MAY CONCERN

In compliance of the Ministry of Environment and Forest (MoEF), Government of India's letter No. 11-9/98-FC(Pt) dated 3rd August 2009 wherein the MoEF issued guidelines on submission of evidences for having initiated and completed the process of settlement of rights under the Schedule Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 ('FRA', for short) on the forest land proposed to be diverted for non-forest purposes, it is certified that 91.202 Hectares of forest land proposed to be diverted in favour of Water Resources Division, Sirohi (name of user agency) for Battisa Nallah Minor Irrigation Project, Deldar (Aburoad) (purpose for diversion of forest land) in Sirohi district falls within jurisdiction of Deldar, Jaydara, Kyari (Jaydara) & Nichlagarh villages in Aburoad tehsil.

It is further certified that:

- the complete process for identification and settlement of right under the FRA has been carried out for the entire 91.202 hectares of forest land proposed for diversion. A copy of records of all consultation and meetings of the Forest Right Committee(s), Gram Sabha(s), Sub-Division Level Committee(s) and the District Level Committee are enclosed as annexure A to annexure C
- the proposal for such diversion (with full details of the project and its implications, in vernacular/ local language) has been placed before each concerned Gram Sabha of forest-dwellers, who are eligible under the FRA: There are no such Forest Dwellers Scheduled Tribes persons residing in the proposed area with rights under Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.
- each of concerned Gram Sabhas, has certified that all formalities/processes under the FRA have been carried out, and that they have given their consent to the proposed diversion and the compensation and ameliorative measures, if any, having understood the purpose and details of proposed diversion: Not Applicable
- the discussion and decisions on such proposals had taken place only when there was a quorum of minimum 50% of the members of Gram Sabha present.
- the diversion of forest land for facilities managed by the Government as required under section 3(2) of the FRA have been completed and the Gram Sabha have given their consent to it: There are no such Forest Dwellers Scheduled Tribes persons residing in the proposed area with rights under Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.
- the right of Primitive Tribal Groups and Pre-Agriculture Communities, where applicable have been specifically safeguarded as per section 3 (1) (e) of the FRA: Not Applicable
