

PART – IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department)

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks.

Eco-tourism projects have been successfully used as a livelihood strategy of forest dependent communities. The project will generate additional income to the local villagers which will go a long way in enhancing their socio-economic status of the local population. The project is in public interest and is hereby recommended.
