F.No.4-TSB166/2020-CHN/154

Date 7th December, 2021

To

The Special Chief Secretary to the Government,
Environment, Forests, Science & Technology Department,
Telangana State Secretariat, Hyderabad.

Subject: Diversion of 4.4824 ha of forest land in Siddipet Forest Division for erection of 220 KV DC line from 400/220/132 KV Gajwel SS to 220/132 KV Siddipet SS in Siddipet District in favour of Executive Engineer, Construction, TS TRANSCO, Sangareddy- reg

Sir,

Please refer to the State Government's letter No. 536/For.I(1)/2020 dated 20.05.2020 and online application No.FP/TG/TRANS/29323/2017, seeking prior approval of the Government of India in accordance with Section '2' of Forest (Conservation) Act, 1980 for the above mentioned project. The project was accorded in-principle approval (Stage-I) by the Central Government vide letter dated 11.02.2021. The State Government vide letter No. 536/For.I(1)/2020 dated 13.08.2021 have reported compliance to the conditions stipulated in the in-principle approval.

After careful consideration of the proposal of the State Government, I am to convey the Central Government's approval (*Stage-II*) under Section '2' of Forest (Conservation) Act, 1980 for diversion of **4.4824 ha** of forest land in Siddipet Forest Division for erection of 220 KV DC line from 400/220/132 KV Gajwel SS to 220/132 KV Siddipet SS in Siddipet District in favour of Executive Engineer, Construction, TS TRANSCO, Sangareddy, subject to the following conditions:-

1. The legal status of forest land shall remain unchanged;
2. The State Forest Department shall demarcate diverted forest area by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters from the amount which has already been realized from the User Agency;
3. The State Forest Department shall carryout Compensatory Afforestation (CA) and its maintenance over 9.00 ha of degraded forest area identified in Compt No

191, Meenajipet RF of Siddipet District, from the amount which has already been realized from the User Agency;

4. The degraded forest land identified for CA shall not be changed without the prior approval of the Central Government;
5. Additional amount of the Net Present Value (NPV) of the diverted forest land if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency;
6. The User Agency shall restrict the felling of trees to the minimum in the diverted width of 35 meters of the forest land and the trees shall be felled under the strict supervision of the State Forest Department at the project cost;
7. The State Forest Department shall carry out plantation and its maintenance of dwarf species (preferably medicinal plants) in the right of way under the transmission line, from the amount which has already been realized from the User Agency;
8. The State Forest Department shall provide bird deflectors, which are to be fixed on the upper conductor of the transmission line at suitable intervals to avoid bird hits, from the amount which has already been realized from the User Agency;
9. The User Agency shall comply with the guidelines issued by the Ministry for laying transmission lines through forest areas;
10. The layout plan of the proposal shall not be changed without prior approval of the Central Government;
11. Sufficient firewood, preferably the alternate fuel, shall be provided by the User Agency to the labourer after purchasing the same from the State Forest Department or the Forest Development Corporation or any other legal source of alternate fuel;
12. No additional or new path will be constructed inside the forest area for the transportation of construction materials for execution of the project work;
13. The forest land shall not be used for any purpose other than that specified in the project proposal;

14. The forest land proposed for diversion shall under no circumstances be transferred / sublet to any other agency, department or person without prior approval of the Central Government;
15. No labour camp shall be established on the forest land; Disturbance shall be kept minimal by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna;
16. The trees on strips would have to be felled but after stringing work is completed, natural regeneration will be allowed to come up. Future pollarding / pruning of trees will be done with the permission of the local forest officer wherever necessary for the maintenance of the transmission lines;
17. During construction of transmission line, pollarding / pruning of trees located outside the **35 meters** width of the strips whose branches / parts infringe with conductor stringing, shall be permitted to the extent necessary, as may be decided by the local forest officer;
18. All efforts shall be taken to minimize the felling of trees and the State Forest Department shall carry out translocation of the trees wherever feasible at the cost of the User Agency;
19. The total forest area utilized for the project shall not exceed **4.4824 ha** and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal;
20. Any other conditions that the Central Government or Regional Officer(Central) of Integrated Regional Office, Hyderabad may impose from time to time in the interest of afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency;
21. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as per the provisions made under rules / guidelines issued under FCA, 1980.

Yours faithfully,

(N.S.Murali)

Inspector General of Forests (Central)
